CHRISTMAS BELLS. All adown the ages stealing come their notes to Telling how the Child so holy came to earth that Christmas Eve. Came to dwell full meek and lowly, came our sorrows to relieve.

Christmas bells, how Joyous ringing seem you tones to me to-day;
Memories sweet ye now are bringing, hope for all the coming way.
Lift, oh, lift thy vell, wan Sorrow, weep no more

thy lonely lot,
Love and Light come with the morrow; thou
by them are not forgot! Christmas bells ! from out my childhood your magic tones once more,
As breath of flowers from wild wood greets the
extle's distant shore!
Bing then, Christmas bells, your measure, ring

within each heart again, Ring to all a bounteous treasure. Every loss shall bear its gain! -Miriam Lester

THE DRUMSTICK. Behold my rotund wealth of meat, With all its julces, rich and sweet! How firm, how solid, are my parts, And how I go straight to the hearts Ah! how I love to lie in state

Upon the table, while you wait, With eager eyes and teeth that burn, Until it comes to be your turn. How crisp my skin, and, oh! how brown, And how I tickle going down: And then, my bone, oh! what delight, To pick it till it's clean and white. How would you like, on Christmas Day,

To tramp till noon and then, we'll say, To come back home, well almost starved, And find me waiting, nicely carved? And find me waiting, nicely carved?

Between your finger and your thumb

You hold me up, thus (yum, yum, yum!)

I tickle every nerve, I thrill

Your stomachs, and I fill the bill,

And with all men I nothing lack— In fact, I have the inside track!

Dr. Buil's Cough Syrup has been before the public for years, and is pronounced by thousands superior to all other articles for the cure of coughs, colds, influenza, and all pulmonary completics. complaints.

I used Salvation Oil for rheumatism in the feet, and after several applications was entirely relieved of pain and could walk as well as ever. ANN R. WATKINS, Baltimore, Md.

Something for the New Year. The world renowned success of Hostetter's Stomach Bitters and their continued popularity for over a third of a century as a stomachte, is scarcely more wonderful than the welcome that scarcely more wonderful than the welcome that greets the annual appearance of Hostetter's Almanac. This valuable treatise is published by The Hostetter Company, Pittsburg, Pa., under their own immediate supervision, employing 30 hands in this department. They are running about 11 months in the year on this work, and the issue of same for 1890 will not be less than ten millions, printed in the English, German' French, Weish, Norwegian, Swedish, Holland, Bohemian and Spanish languages, Refer to a copy of it for valuable and interesting reading concerning health, and numerous testimonials as to the efficacy of Hostetter's Stomach Bitters, amusement, varied information, astronomical calculations and chronological items, &c., which can be depended on for correctness. The Almanac for 1800 can be obtained free of cost, from druggists and general country dealers in all parts of the country.

A Scrap of Paper Saves Her Life.

It was just an ordinary sarap of wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. MOTHERS READ! Dr. C. McLane's

Vermifuge for Worms

MOTHERS READ.

ndrew Downing of Cranburg Township, Ve-ago County, gave his child one teaspoonful the ganuine Dr. C. McLane's Celebrated Ver-uge, and she passed 177 worms. Next morn-on repetition of the dose she passed 113 minge, and ane passed 17 worms. Next more, ing on repetition of the dose she passed 11s more.

Japbet C. Ailen, of Amboy, gave a dose of the genuine Dr. C. McLane's Celebrated Verminge to a child six years old, and it brought away 83 worms. He soon after gave another dose to the same child, which brought away 50 more, making 183 worms in about 12 hours.

Mrs. Quigby, No. 182 Essex St., New York, writes us that she had a child which had been unwell for better than two months. She procured a bottle of the genuine Dr. C. McLane's Verminge and administered it. The child passed a large quantity of worms, and in a few days was as hearty as ever it had been. Paronts with such testimony before them should not hesitate when there is any reason to suspect worms, and lose no time in administering the genuine Dr. C. McLane's Verminge. It never as its and is perfectly safe.

This is to certify that I was troubled with a tape worm for more than six months. I tried all the known remedies for this terrible affliction, but without being able to destroy it. I got a bottle of the genuine Dr. C. McLane's Verminge, prepared by Fleming Brox., Pittaburg, Pa., which I took according to directions; and the result was I discharged one large tape worm, measuring more than a yard, besides a number of small ones.

SWIFT SPECIFIC CO. Scrofula in Children.

"In the early part of 1857 scrofula appeared on the head of my little grandchild, then only 18 mouths old. Shortly after breaking out it spread rapidly all over her body. The scabe on the sores would peal off on the slightest touch, and the odor that would arise would make the atmosphere of the room sickening and unbearable. The disease next attacked the eyes and we feared she would lose her sight. Eminent physicians of the country were consuited, but could do nothing to relieve the little innocent, and gave it as their opinion, 'that the case was hopeless and impossible to save the child's eyesight.' It was then that we decided to try Swift's Specific (S. S. S.) That medicine at once made a speedy and complete cura. For more than a year past she has been as healthy as any child in the land."

MRS. RUTH BERKLEY, Selms, Kansas.

Cancer of the Nose. Cancer of the Nose.

In 1875 a sore appeared on my nose, and grew rapidly. As my father had cancer, and my husband died of it, I became alarmed and consulted my physician. His treatment did no good, and the sore grew larger and worse in every way, until I was persuaded to take S. 8.5. and a few bottles cured me. This was after all the doctors and other medicines had failed. I have had no return of the cancer.
