MERCURIAL RHEUMATISM.

Mr. J. C. Jones, city marshal of Fulton, Arkanasa, writes: "About ten years ago I contracted a severe case of blood poison. The leading physicians of the city were called in, and they prescribed medicine after medicine, which I took without affording me any relief. I also tried mercurial and potash remedies, with the same unsuccessful result, but which brought on an attack of mercurial rheumatism that made my life one of untold agony. After suffering four months, I gave up all former remedies and commenced taking Swift's Specific (8, 8, 8,). After taking several bottles, I was entirely cured and able to resume work. I consider Swift's Specific (8, 8, 8,) the greatest medicine for blood poisoning to-day on the market." INHERITED SCROPULA.
