## PEDESTRIAN ITEMS.

The Lebanon Match Challenges That Are Awaiting Acceptances.

At the close of the walking match at Lebanon on Saturday night the scores were as follows: Nolan, 245; O'Brien, 230; Kauffman, 227. Dommell was unable to make more than 70 miles owing to his shoes rubbing his feet. "Sweater" Rine kept on the track to the close, making about 100 miles. The score would have been much better, but the walkers were obliged to leave the track for twelve hours in order that market could be held. The Lebanon News speaks well of the pedestrians, and the correspondent of the Reading Eagle says, " Kauffman is the nicest and squarest walker on the track."

Since the Lebanon match the air is full of challenges and the result will likely be a match in this city.

"Lucas" Kauffman wants to walk George Lawrence, square heel and toe, and he save he has good backing for the match. O'Brien, who was in the Lebanon match, wants to walk any man in the county five hours a night for six nights for \$250 or 8300.

Kanffman, Nolan and O'Brien are willing and anxious to walk any other three in the county.
