w much I'd mourn if I should find y songeters from there driven, hear but sparrows chattering, here songs once rung to beaven!

We often see these alien birds
Fright off our laureate singers—
Who sings a song must e'er be shy
Before life's discord-bringers.

But your care note I hear again,
The same sweet tone but clearer;
You sing your truth, and echo find
In hearts where you giow dearer!

son with all other shirts that sell for \$100, says so. It is the best of all in fit, finish and material. It is the best and cheapest shirt because of the select material and perfect make; it will wear longer than any other shirt in the market seld for same money. "Give me a half dosen 'Dayton Shirts,' said a oustomer last week. I want to tell you, you sell a perfect shirt. I bought one a year ago, about the same time I received from a custom shirt maker ly dosen shirts for which I paid \$15. The custom shirts are now all in shreds and the 'Dayton' I bought of you doesn't show signs of wear and it had its regular turn of wear with the others. Besides, I had to take the custom shirt back three times for alterations around the neck before they fit me, and the 'Dayton' fit at once." Words of praise like this we hear for the "Dayton" shirt every day. Three lengths of sleeves, everyevery day. Three lengths of sleeves, every-body's size of neck and back in stock and only \$1 each or 90c each in lots of 1/4 dosen or more now on sale at a reduction, 50e quality, 42e; 75e and 85e quality, 65e; \$1 quality, 84e.
