Suffored Twenty Years. To the Public : I hereby desire to add my tes-timonial to the beneficial results of Hoke's Electric Medicated Belt. Have heard of others in our town who have used them with mar-yelous success. I had not the least idea to try his belt, because I have tried anything and everything for my complaint, which is skin disease. I suffered for the last 20 years. Many, many a night slept only a few hours. At last I applied his belt, and to my utter surprise slept the first night and had no irouble since. James Fenstermacher, dealer in Dry Goods.
