There was a large audience present and no less than sighteen musical numbers were given. Each of the performers was seen three times and repeatedly encored. Miss
Berger has a good voice and "Salley in Our

rendered by her. Miss Webb made a tremandous hit with the "Suwanee River."

The Mother-in-Law's Statement.
For years my daughter-in-law had been a great sufferer with female weakness, and her husband was required to spend all the money he could carn for medicines. Last March I procured a Hoke's Electric Abdominal Supporter for her and in a short time after wearing the same she felt like a different woman and was able to attend to her household affairs, and the husband did not find it necessary to buy any more so called remedies. I will, with pleasure, tell any suffering lady all the circumstances concerning this cure, and my name and address will be furnished to anyone who will call on U. U. Hoke-My husband and myself also used Hoke's appliances with great success.

It is no matter of surprise to those who have used the Rhine Wines imported by Mr. Peter Dorsheimer, of Bird-in-Hand, Pa., that they the fine and heavy quality of his later impor-tation can readily be noted. Mr. Dorsheimer intends making another trip

of making a selection of Holland Gin, Champagne and Rhine Wines, and they will need ne
further recommendation than the fact that
they were personally selected and imported by
him.

## Ladies' \$1.50 Shoes!

A late arrival of these to tell of to-day. Ladles' Button Shoes, with GENUINE GOAT DONGOLA LEATHER uppers, trimmed, fitted, lined and finished in a superior manner; soild leather inner and outer soles and heels; sole leather counters to strengthen and preserve the hoel shape. Are cut by the same pattern and made over the same lasts as the finer grades costing \$2 and \$2.50 per pair. They are splendid fitting and invariably prove very serviceable. Of this make of goods our sales steadily increase; at times we've found it difficult to keep all sizes complete. New arrangements have been made with the manufacturer, which will enable us to supply every inquiry in the future without disappoint-ment. Henceforth the material in them will be better and more pains taken in the making, while the price will remain the same. Once worn, ladies will want nothing better; they never disappoint

the wearer.

Two new grades of Ladies' Shoes to introduce this week—stylish, well make, well thished, at \$1.25 a pair. Opera Toe style, solid leather throughout, excellent wearer, too. We've a Ladies' Shoe at \$1.00 a pair—neat looking, fitting snugly and wears strongly. The cheapest good shoe sold in Lancaster. See these to see how pretty and how well shoes can be made for so little money. It is surprising. The material in them alone seems to be worth the money asked for the shoes complete.
