Not Killed For Insurance.

The coroner's inquest as to the cause of the death of Ammon Boyer, son of W. L. Boyer, whose death was supposed to have been the result of poison, concluded its business. An autopsy was held and Dr. Matthews, who performed it, said in his evidence that he and his assistant found death was due to typhoid fever. The verdict rendered was as follows: After a careful examination of the witnesses, we find that the deceased, Ammen Boyer, came to his death from typhoid fever and that no blame attaches to any of his tamily, and, in our opinion, all suspicion is removed. The other members, who were poisoned by eating fruit, are still in a dangerous condition. Not Killed For Insure

Put on the Brakes

If you find you are going down hill in point of health. Failing strength, impaired digestion and assimilation are the marks of decline, Check these and other indications of premature decay with the grand vitalizer and restraining tonic, Hostetter's Stomach Bitters. Begin ning at the fountain head, the stomach, the Bitters remedies its inefficiency, corrects its errors, and sets it vigorously at work. The digestive organ is thus enabled to thoroughly separate from the food its nutritive principles, which the blood assimilating, is enriched. Thus is the system nourished, and being nourished strengthened, and abnormal waste of its tissues stayed. Appetite, the power to rest well, a regular habit are also re-established, and the various functions move once more in their natural and healthful groove. The Bitters, moreover, is a specific for and preventive of milarial complaints, rheumatism, biliousness and kidney troubles.

Jas. S. Murphy, M. D., Company's Shops, N. J., writes:—"I sell a great deal of Dr. Bull's longh Syrup, for every one who tries it likes "There are more things in heaven and earth, Horatio, than are dreamt of in your philoso-phy," Of course! Why, those old duffers suf-fered horribly with aches and pulns, and couldn't know that faivation Oil would cure them.

THE Children's Health must not be neglected. Colds in the head and snuffles bring on catarrh and lung affections. Ely's CreamiBalm cures at once, It is perfectly safe and is easily applied into the nostrils. It also cures catarrh, the worst cases yielding to it. feb27-2w4

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her y'-1 organs were undermind and death seemed 'aminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. B. Cochran's Drug Store, 137 & 139 N. Queen St., Lancaster, Pa.

It is those gentlemen we hope to meet. We've footwear to suit them, sure—suit them better than they can be anywhere elso. We have a new line of goods to introduce, combining all the desirable points enumerated above, to which special attention is called—three different shapes, French, London and opera toe—tipped or plain—wide, medium and narrow. The uppers are of goossmer calf, a fine grade of calf skin, clean, smooth and well finished, made as light as; possible to give the wearer all the ease and comfort of genuine Kangaroo leather. The bottom stock, heels and counters, are cut from superior oak-tanned leather, the wearing quality of which is unsurpassed—the uppers are seamless.
