PRICE TWO CENTS.

Questions in Truthful.

From the Minneapolis Tribune.

A lady passing a Park-ave. residence last Saturday afternoon saw two healthy and muscular-looking youngsters of anywhere from three to six years of age eating dirt with spoons of shingle-nails and gravel mixed with it. She rushed into the house to inform the mother of the infants terrible of the situation, but was cheerfully informed that if the nails were not rusty they wouldn't hurt the children because they were used to it. "Why," said she, "they live on tacks." An investigation proved that the young eaters made regular meals off of oyster cans, tacks, gravel and dirt, and were never sick a day in their lives. It is suggested that perhaps the system of feeding now in vogue among the upper classes is what is producing the degeneracy of the race, and that the true way to raise children is on the billy-goat plan—let them eat what they can find and whenever they can find it.

A prudent man, "according to Hoyle,"
For cut and bruise, and burn, and boil
Will use at once Salvation Oil.

"Never was heard such a terrible curse," as the man got off about his stubborn cold. Could it be possible that he lived in civilization and had not heard of Dr. Bull's Cough Syrup? Let him take the old reliable; and stop swearing. Price 25 cents.

Shaken Out of Gear

By malarial disease, the human machinery cannot half perform its office. Digestion, secretion, evacuation are disordered, the blood becomes watery, the nerves feeble, the countenance ghastly, sleep disturbed and appetite capricious. Terrible is the disease, fell its consequences. There is, however, a known antidote to the miasmatic poison, and a certain safeguard against it. In malarious regions of our South and West, in South America, Guatemala and on the Isthmus of Panama as well as in transmarine countries where the scourge exists, this inestimable preventive and remedy, Hostetter's Stomach Bitters, has, during the last thirty-five years been constantly widening the area of its usefulness and demonstrating its sovereign value. Liver complaint, dyspepsia, constipation, kidney trouble, rheumatism and debility are all remedied by it.

THE Children's Health must not be neglected. Colds in the head and snuffles bring on catarrh and lung affections. Ely's Cream Balm cures at once. It is perfectly safe and is easily applied into the nostrils. It also cures catarrh, the worst cases yielding to it. feb27-3wd

The Verdict Unanimous.

W. D. Suit, Druggist, Bippus, Ind., testifies "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of Rheumatism of 10 years standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at H. B. A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermind and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. B. Cochran's Drug Store, 137 & 139 N. Queen St., Lancaster, Pa.

McLANE'S LIVER PILLS.

THE GENUINE DR. C.
McLANE'S
—CELEBRATED—
LIVER PILLS!

Intemperance a Disease

When the celebrated Dr. Rush declared that drunkenness was a disease, he enunciated a truth which the experience and observation of medical men is every day confirming. The many apparently insane excesses of those who indulge in the use of spirituous liquors may thus be accounted for. The true cause of conduct, which is taken for infatuation, is very frequently a diseased state of the Liver. No organ in the human system when deranged, produces a more frightful catalogue of diseases. And if, instead of applying remedies to the manifestations of the disease, as is too often the case physicians would prescribe with a view to the original cause, fewer deaths would result from diseases induced by a deranged state of the Liver. Three-fourths of the diseases enumerated under the head of Consumption have their seat in a diseased Liver. The genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bros., Pittsburg, Pa., are a sure cure.

Mr. Jonathan Hedges, of West Union, Park Co., Illinois, writes to the proprietors, Fleming Brothers, of Pittsburg, Pa., that he had suffered from a severe and protracted attack of fever and ague, and was completely restored to health by the use of the genuine Dr. C. McLane's Liver Pills alone. These Pills unquestionably possess great properties, and can be taken with confidence by persons in feeble health requiring invigorating remedies, but the Liver Pills stand pre-eminent as the means of restoring a disorganized liver to healthy action; hence the great celebrity they have attained.

Insist on having the genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bros., Pittsburg, Pa. All druggists keep them. Price 25 cents a box. (3)
