ital system if judiciously applied in a morratic spirit and chosen so as to id all suggestion of aristocracy or dalism. Gallant deeds are every day orded which seem worthy of somedemocratic spirit and chosen so as to avoid all suggestion of aristocracy or feudalism. Gallant deeds are every day recorded which seem worthy of something more than a few days notoriety followed by oblivion. Great feats of engineering, mechanical inventions of far reaching value, discoveries in many fields of science are noted every year and the authors of them, unless they happen to be Edisons or Ericasens of world wide fame, are overshadowed by the title of any judge or colonel they may chance to meet. This is a state of things without fitness. We should have no titles at all or titles within the reach of all. A man Sometimes the threat has mented, we believe, and has remained to the series of the ser or titles within the reach of all. A man went into a burning mine at Wilkes barre the other day to warn a half dozen comrades, and by so doing placed himself in the same extreme peril of a horrible death. A nobler specimen of humanity never received knighthood, and his name should be honored and remembered whether he lives or dies. Fulton, Morse, Edison, would not be grander names with Sirs before t why have they been? Certainly man possesses the power to make and to punish the violation of . If it ensets that the publication scatter season proceedings shall be me and prescribes its punishment, aw could and should be enforced it would certainly result in the tion of the practice. them ; but great men give value to titles conferred upon them, and if Americans of distinguished services were rewarded by title there would be scrambling for name-handles, in spite of the general contempt for the abused foreign article.

WHO killed Annie Leconcy? Her slayer is not likely to feel the halter draw, since the Camden county authorities lost time anted to preserve the socrecy of by pursuing wrong clues.

The Forth bridge is one of the greatest engineering triumphs of this age of engineering. It is more than twice the length of the Brooklyn bridge, and has three piers in the water from which rise the huge cantilever towers making two of the longest spans in the world. "Each of the two great spans is 1,710 feet in length, very little short of a third of a mile. No such distance has ever before been covered by bridge spans ever before been covered by bridge spans of so great length. The only one approach-it in length is the Brooklyn bridge, which covers 1,600 feet from pier to pier." The towers that support these spans rise to a height of three hundred and sixty feet. parative demand of the newspa-der for news; and the recognized f the reporter and correspondents repolitan journals is to get it by a by crook. Men who are surup-and tender-footed about stealing

bould stimulate high ambition. Sol-lers can become generals, lawyers hange to judges, and pricets assume the leasity of bishops, but the great mass of sen are out off from any opportunity of latinction except by wealth; and so verybody acrambles for the "almighty

anduct is defended upon the het it is necessary to meet the mand for news. The newste circulation and can only get 17 the members of the agricultural society who disapprove of a superintendent of road-making would take a drive to-day over the roads connecting the pikes in the neighborhood of, Lancaster, they would find it difficult to hold the belief that the makers of roads do not need superintendence. Supervisor Creswell, of Edan was particularly consecut and so all go pell mell after arough every obstruction.

a serving their interests; and less disagreeable than a jail them. They are no worse than a like specifion. Our railroad manable mow, never hesitate to be salamnest moral obligation since for their roads. To get wants is the animation of the since man of the age; and his increase man of the age; and his method of road making, but any one who will drive out the New Holland pike to Eden and then try to reach the Strasburg pike by the road along the creek, will vow, if he lives to tell the tale, that the supervisor of that road should be stood on his head in every-one of the hundreds of much holes and yawning chasms that here appears the strasburg pike by the road along the creek, will vow, if he lives to tell the and yawning chasms that here appears the strasburg pike by the road along the creek, will vow, if he lives to tell the alle, that the supervisor of that road should be stood on his head in every-one of the lives to tell the alle, that the supervisor of the creek, will vow, if he lives to tell the alle, that the supervisor of the creek, will vow, if he lives to tell the alle, that the supervisor of that road should be stood on his head in every-one of the lives to tell the alle, that the supervisor of that road should be stood on his head in every-one of the hundreds of much had the alle, that the supervisor of the creek, will vow, if he lives to tell the alle, that the supervisor of the alle, that the supervisor of the alle, that usiness man of the age; and his does not let him mind any ob-a that does not absolutely to cut down his career. with this road ought to prove the necessity of a superintendent to keep all supervisors up to the mark. No doubt many other in to cut down his career.

The in getting to be a mighty small ofton between activity in business alghway robbery. The chief districts in that the robber when caught to jall; and if Congress wants to the stealing of its secrets and its mants and desires to secure honest ment of the community by railroad gets and other enterprising people, die to enact laws punishing their geoing with imprisonment; which roads could be found quite as terrible to man and beast ; and the many rains do not excuse their condition, for in a country like this roads should never be impassible, no matter what the weather.

A LETTER from Hamilton, Bermuda, to the New York Times describes in graphic detail the proceedings when in that port of Commander McCalla, of the Enterprise, and some of his officers. As supplementing the stories of harsh discipline and abuse brought home by the crew of the recoing with imprisonment; which are executed stop to their activity social enjoyment. vessel, this Bermuda letter is very interesting, for it shows that instead of a sullen tyrant the captain was on one occasion, at least, a very jolly tar; in fact much too jolly for the dignity and good name of the navy. Not a word of this story has been breathed by either officers or men and it only now leaks out because an American continued. Austin Corbin having complained lector Erhardt, of the port of New that his wines were stolen in through the custom house, that all replies that this is very probable; an American gentleman at Bermuda felt it his duty to report the facts to the navy dehe can get no good detectives at sublic stores, owing to the civil stores, owing to the civil stores which require such detections as a civil service examination; his duty to report the facts to the navy de-partment and a correspondent therefore makes them public. The story runs that the ship reached Bermuda on Washing-ton's birthday and that the captain and three officers came ashore and "painted the town red." They became very much interiorized, but seem to have done no intoxicated, but seem to have done no harm beyond making themselves and the navy a laughing stock. The McCalla investigation promises revelations that may they may have a good education, at likely to make competent detec-A good detective, the collector on Mr. Corbin, need not be a good ar. > PERSONAL.
> CHARLES F. HAAGE, of Reading, will on April 1st begin the publication in that city of a penny afternoon paper. WILLIAM B. ALLISON was on Tuesday re-elected United States senator by the Legislature of Iows.

The discovery of Collector Erhardt is bew one. It is a favorite argument against civil service examinations appointments to offices where the straing which qualifies the successful applicants does not come into play. GEO. W. SOURBEER, of Harrisburg, for-merly of Safe Harbor, has been re-elected chairman of the Democratic city commit-

LUTHER S. KAUFFMAN, ESQ., of this city, has accepted an invitation to deliver his lecture on "The Interest Burden" before the Berks County Agricultural society at

the Berks County Agricultural society at their April meeting.

DR. WILLIAM C. LANE, one of the leading physicians of Southern Pennsylvania, died on Tuesday in Morcersburg, aged 65 years. His death was caused by an filness which followed an attack of the grippe.

PROF. RICHARD J. LEVIS, the well known Philadelphia surgeon, will marry Miss Harriet Arnett, of 2116 Pine street, Philadelphia. The ceremony will take place at Holy Trinity church, and will be performed by Rev. Dr. McVickar.

Miss Amelia B. Edwards, who gave

performed by Rev. Dr. McVlckar.

Miss Amelia B. Edwards, who gave her lecture on "The Explorer in Egypt," in Pittsburg, Tuesday night, appeared with a broken wrist. The accident occurred on Monday, at Columbus, Ohio. She was the guest of a Mrs. Graham, who had arranged an elaborate reception in her honor. Miss Edwards was going down stairs after dressing for the tea when she tripped upon some obstruction and fell to the foot of the stairway, sustaining an ugly fracture of the left wrist.

Hear Benet., the famous leader of the Socialist party in the Reichstag, and the suthor of "Woman in the Past, the Present, and the Future," is a man of about fifty, of medium height, with a short dark beard, auburn hair and a delicate, rather prepossessing appearance. When he is not engaged in fighting the cause of the Socialists, be follows his trade as a wood-turner. He is the bete noir of the great chancellor, and has frequently been imprisoned for hurling inflammatory speeches against the government.

"Don't stand on the order of going"—but go straight to the next corner and buy a bottle of Dr. Ball's Cough Syrup, if you want to cure your cold."
Farmers and Horsemon read this! "I find Salvation Oil a most excellent itniment among horses, and I take piesaure in indorsing it as a certain remedy for scratches."

JAMES THOMAS,

Pranklin Mond, near Baltimore.

as in the case of these bridge builders, titles would be easierly sought and their holders duly honored. Even the much abused titles of the degenerate British nobility still carry dignity.

It is a part of human nature for men to covet some distinction, and the "handle to the name" is a constant reminder that something above the average is expected from the man addressed, and so should stimulate high ambition. Solders can become generals, lawyers

decay, and pur breath free and pure, and pure, for a bottle of SOZODONT'S all we require, to speedily realise all we desire.

A Family Gathering.

Have you a father? Have you a mother? Have you a son or daughter, sister or a brother who has not yet taken Keeny's Balsam for the Throat and Lungs, the guaranteed remedy for the cure of Coughs, Colds, Asthma, 'Croup and all Throat and Lung Troubles? If so, why "When a sample bottle is gladly given to you free by any druggist, and the large size costs only Soand \$1. (5)

Ir is dangerous to tamper with irritatim liquids and exciting anufis. Use Ely's Cream Halm, which is safe and pleasant, and is easily applied. It curse the worst cases of catarrh, cold in the head and hay fever, giving relief from the first application. Price 56 cents, feb27-5wd

Wanamaker's

Fancy Tricot that is remarkable for three things: 1width (45 inches); 2—good looks; 3—bargain price on new goods. The broadish stripes are in sateen weave, and are self-colored. All the desirable shades are in the line. But here's where the fun for you comes in : We practically give nine inches of width with every yard you buy. 36-inch Fancy Tricot of this grade would be 50c; this 45-inch stuff is 50cand two yards less of it is enough for a dress pattern.

One of the brightest spots in all the Lace Curtain half acre is where the new Nottinghams are heaped. Pretty patterns, right qualities, and surprise prices :

Fioral effects, \$1 to \$2.50 a pair. Brussels effects, \$2.50 to \$6 a pair. French Guipure effects, \$4.50 to \$9 a pair. Nottingham Sash Curtains or just as little accordingly-\$1.35 to \$4.50 a pair. Nottingham Bed Sets (2

shams and 1 bed spread) in a great variety of patterns, white and ecru, \$1 to \$6 a set.

The Spring awakening shows all through Upholstery. ond floor, north of Transept

Choicest Hamburg Embroideries a third under price. We told you of one lot the other day. Here's another just as good and in the widths and styles you are wanting:

Hilind Embroidery 1% inches wide on Natu-sook, 80 a yard. Natusook Edgings 1 to 2 inches wide, 12c to 30c. Natusook Inserting 34 to 2 inches wide, 12c to 30c. imbric Edgings 1 to 2% inches wide, i0c to Cambric Edgings for Skirts, 5 to 6 inches wide, 28c to 50c.

Full lengths; the prices would be low for bits and dribs.

Choice Copyright Fiction. A series of 12mo volumes with illuminated paper covers. By a dozen or so popular American writers. The books regularly sell at 50 cents each. Our price 18; by mail 19 cents.
