BASY, COMFORTABLE SHOES

FOR LADIES' WEAR

The "Common Sense" Shoe shape is one that will always find admirers It is made over patterns nearer in accord with the natural shape of the foot than almost any other style of footwear, and ensures to the wearer a perfectly flat and uniform tread in walking. For absolute case and comfort in wear "Common Sense" Shoes meet every requirement and are specially recommended to ladies looking for shoes possessing such qualities. These shoes we have in a variety of makes and in different leathers. Machine and handsewed, in widths A to E, inclusive, ranging in price from \$1 50 to \$6 a pair. Having so many widths in stock make it an easy matter for us to fit the foot perfectly without any undue pres sure upon any sensitive portion of it-fit it without wrinkling and not present the loose and baggy appearance frequently noticeable in similar shaped shoes. Will not rub at the toe, or chafe at the heel, but fit all parts alike. They will retain their shape until worn out and are adapted for either fine dress or every-day wear. The material in them is excellent and the making bears every evidence of good workmanship. Try " Common Sense " Shoes for ease and comfort in wear and for long service. Trial invariably brings liking. Remember the prices-\$1 50
