The Entertainment For Their Benefit in the Court House.

Last evening the Lancaster Cadeta, the new military organization, of this city which is of quite young men, who, however, have plenty of energy and get-up, tried their hands at giving an entertainment. It was held in the court house, which place at present seems to be the atrongest opposition that the opera house has, "by kind permission" of the county commissioners, and it was a great success n every way. The audience present was arge, the big room being almost full. The performers, like those of the evening be-fore, were all home talent, and their efforts to please were successful and highly appre-ciated. The College Glee club made a big hit, as they always do, and they were warmly received. They sang several selections, and Mr. Irvine's bugle imita-

tions were demanded time and time again-The Young Men's Democratic orchestra, with Prof. F. W. Haas as conductor, was another big feature of the entertainmentcomposed of Wm. Adams, Charles Nat man, Edward Parker, Abraham Adams, Charles Landis, George Watson, John Burger and Harry Shindle, also pleased. Burger and Harry Shindle, also pleased. The whole programme is given below:

Overtaic, "Topsy Turvy," Y. M. D. S. orchestra; "Soldier's Farewell," F. and M. Glee club; tenor solo, "The Grave of the Heathen," Mr. F. B. McClain; medley, Mandolin and Guitar club; plano duett, "Qui Vive," Misses E. Adams and L. Waitz; violin solo, "Air De Ballet," Mr. C. D. Royer; march, "Bellman," Y. M. D. S. orchestra; bass solo, Mr. J. J. Smaling; medley, Mandolin and Guitar club; solo, "Bugie," Mr. W. M. Irvine; waltz, "Playmates, Y. M. D. S. orchestra; soprano solo, "Let Me Dream Again," Miss J. Skeen; "Lovely Night," F. and M. glee club; "Patriotic Feelings," Y. M. D. S. orchestra.

Before the performance, the cadets

Before the performance, the cadets marched to the court house from their ar-mory in Rothweiler's hall. They presented a fine appearance in their new uniforms, and marched very well. The committee that had charge of the affair consisted o Captain James Wilson, chairman, Lient. John H. Swenk, Sergeants Daniel M. Groff and John I. Frantz, and Private El-

FRANCIS BRINKMAN DIES.

mer S. Denues.

A Well Known Business Man and Prominent Democrat Passes Away.

Francis Brinkman, a well-known citizen of Lancaster, died at his residence, No. 507 South Prince street, after a long illness, began to complain of neuralgia about a year ago, and it grew much worse towards fall. On Wednesday night in lifting his arm he broke it, as the bone was very brittle, and that accident undoubtedly hastened his death. He was a son of William Brinkman, of

Lancaster, but was born when his folks lived in York. When Francis was a mere boy his family moved to Lancaster, where the former has since lived. Francis learned the trade of painting and, after working for different parties, he started in business for himself, which he carried on up to 1887. In that year he entered into partnership with Charles Newell, under the firm name of Brinkman & Newell, in the wall paper and paper hanging business. The firm was successful and Mr. Brinkman was a member of it to the time of his death. In politics Mr. Brinkman was a sturdy Democrat. He formerly took a great deal of in-terest in politics, and was a hard worker. For years he was a member of the city and county committees, and had frequently served as a delegate to the county conven tions from the Fourth ward. During the war he was a member of a militia company and at the time of his death he belonge to George H. Thomas Post, G. A. R., as well as the Conestoga Mutual Beneficia

Mr. Brinkman leaves a wife and four sons-William, Carr, Allen and Lester, all of whom resid in this city. He had a large acquaintance throughout the county and had many warm friends.

Will Solleit Contributions. The last quarterly conference of the preent conference year convenes at the Straw berry street A. M. E. church this evening. Presiding Elder Heard, of this district, will conduct the conference.

Rev. Seth D. W. Smith, who has been

astor of the church for the past two years, has succeeded in the efforts he made to advanco the interests of the church. A year ago it was with difficulty that a suitable parsonage could be secured for himself and family on account of the prejudice against his color and the church authorities determined to buy a property. They did so and last week Mr. Smith moved into it. Some money was raised towards the payment of the debt contracted in the purchase of the parsonage, and it is is the desire of Rev. Smith that it be clear of debt, if posaible, before he attends the conference in May. He will call upon the citizens of Lancaster for contributions to aid him in accomplishing the object.

Herschel Lodge Officers. At the meeting of Herschel Lodge of Odd Fellows on Thursday evening, the follow-ing officers were elected: Noble grand, W. Stehman Diller; vice grand, Harry L. Snyder; recording secretary, Wm. H. Mc-Comsey; financial secretary, John C. Swope; treasurer, Graybill Swope; trustee, George Forrest, After the adjournment of Lancaste

lodge twenty members paid a fraternal visit to Herschel lodge to witness the conferring of the third degree on four candidates. The visitors expressed themselves as well pleased with the thoroughness with which the work was done.

"The Water Queen." Bolossy Kiralfy's company, which seems

to have been made up to travel through the smaller cities, appeared in Fulton opera house to an audience that had no trouble in securing room last evening. The spectacular production, "The Water Queen," was presented. The dramatic part of the performance was rather weak, while the scenery was good. The "large ballet" must have taken a sudden drop, as there was but about a dozen ladies in it. They were seen in dances, marches, &c. Mille Paris gave a fine exhibition of dancing and the specialty of the little Washauer brothers pleased. Arnold Kiralfy gave his grotesque dance. The company is said to be in hard luck, as they are away behind in salaries. The intention is to close the season on Saturday.

The Barber's Revenge. The Barber's Revenge.
Old "Daddy" Rose, aged 75, died at
Providence, near Wilkesbarre, on Tuesday.
A barber was called in to shave the corpse.
The knight of the razor and the old man
were enemies in life, and now the time for
revenge had come. The barber cut the
beard off, leaving a large goaten nineteen
inches long. The hair on the head was
eacht shaved off. The disfigured corpse
was then braced against the window, where
passers-by could see it. A clergyman happassers-by could see it. A clergyman hap-pened to pass, and seeing what had taken place, went into the house, drove the bar-ber out and had the corpse disrobed, ahaved over and properly laid out. Before this had been done the wife returned, and it took considerable persuasion to make her believe that the body of her husband had not been stolen and the corps before her substituted for it.

Cernaryon Place Withdrawn. Cærnarvon Place, on the Columbia turn-pike, the home of the late Rev. Dr. John W. Nevin, was offered at public sale at the Revens house on Thursday evening, Sam Matt Fridy was the auctioneer. The property was started at \$5,000, but no ad-vance was obtained and the property was withdrawn at this figure.

Quay Returns. Senator Quay is in Washington, having returned from his Florida trip on Thursday. JOINED IN WEDLOCK.

Mr. Ellwood H. Kipe and Miss Annie M. New Holland, March 28.—Mr. Ellwood H. Kipe and Miss Annie M. Sigle were married last evening at the residence of the bride's father, Mr. Geo. Sigle. The cere-mony was performed by Rev. J. S. Hartman, of the Reformed church. The bride has been for many years the leader of the choir in that church and for some time had charge of the infant department of the Sunday school. She has also been the efficient teacher of school No. 3, of our public schools. The groom is the manager of the steam flour

mills of this place. The Missionary society of the Reformed church held a very interesting meeting last evening. It rendered a well prepared programme to a large audience. Ten

A Printer Married.

Yesterday afternoon Richard W. Holbrook, a well-known printer, of the New Ero, was united in marriage to Miss Adah Springer, daughter of H. B. Springer. The ceremony was performed by Rev. J. H. Esterline, and later the bride and groom started off on a trip. In the evening the employes of the Era office were given an entertainment at the Manor hotel. where Mr. Holbrook had ordered a set-out for them, which was of the best kind. The boys enjoyed themselves hugely for sev-eral hours, and the health of the bride and groom were frequent'y drank.

A Water Entertalnment Coming. Captain Paul Boyton, the celebrated swimmer and inventer of rubber suits, whose fame is world wide, has written for a date in Lancaster, where he wants to appear in a very novel exhibition. If it takes place here it will have to be given at the creek. Capt. Boyton gives an exciting combat illustrating the torpedo warfare in connection with his dress. He also gives all kinds of aquatic sports, such a foot races, polo games, log rolling contests &c., by noted people, all in the water. Boat races, with Wallace Ross and other famous oarsmen in charge will be given. The show will not appear here before warm weather, provided a suitable place for the exhibition can be found. The show is one of the most novel before the public.

Horse Stolen and Recovered. Some time during last night a horse was tolen from the stable of Harry C. Lintner, a dealer in horses, who resides at Millersville. The discovery that the animal was gone was made at 3 o'clock this morning. Mr. Lintner sent word to the police of this city to be on the look out for the animal. At 7:30 another message was received from Lintner, stating that the horse had been recovered, and he was found tied in front of the house. It is supposed that some one stole the horse for the purpose of taking a ride and then returned him.

The Ice Machine at Work. The ice machine at J. A. Sprenger's brewery was put in operation on Thurs-day for the first time. The ice manufactured, taken from the pans to-day, is seven inches thick, and the cakes are 14 by 30 inches. Finley Elliott has contracted to take all the ice made that Mr. Sprenger can spare. The ice is of good quality and is fit for use for any purpose. The capacity of the machine is from 6 to 7 tons per day.

A Child Revives in Its Coffin. A Child Revives in its Coffin.

While Christopher O'Neil, of New Brunswick, N. J., was with friends holding a wake over the body of his child on Tuesday night, the supposed corpse, clad in its grave clothes, sat up in the coffin and began to cry lustily. This turned weeping and wailing into rejoicing unrestrained. But the joy of parents and friends was premature, for on Wednesday the child died, and there was a second wake without the glad transformation scene.

A Shower of Nickels.

A Shower of Nickels.

While a number of laborers were blasting rock on Pittston avenue, Seranton, a shower of 5 cent pieces filled the air immediately after one of the explosions. They fell on the heads of the workmen like large hallstones. At first the men thought it was a miracle, but when the smoke cleared away they discovered their delusion. The blast had uprooted some hidden treasure in the rocks, and sent it high in the air only to scatter over the surrounding fields. rounding fields.

A Spring Storm.
A heavy rain, which set in early last evening, continued all night. It was followed at an early hour this morning by a regular old-time thunder storm, which reminded one of summer. The lightning was quite sharp, and the thunder heavy.

Parmers Against Ingalis.

Significant action was taken in Topeka, Kan., on Wednesday, by sixty-two representatives of 100,000 members of the Farmer's Alliance, who have decided to vote hereafter for only such legislators and members of Congress as will favor the farming interests. In this connection the following resolution was, after a warm debate, adopted by a vote of 43 to 19:

"Resolved, That notwithstanding the fact that John J. Ingalis has represented Kansas for eighteen years in the United States Senate, it is a difficult matter for his constituents to point to a single measure he has ever championed in the interests of the great agricultural and laboring element of Kansas, and that we will not support by votes or influence any candidate for the Legislature who favors his re-election to the United States Senate."

Death of Mrs. W. G. Case. The body of Mrs. W. G. Case, who died in Danville, arrived in Lancaster on Seashore Express at 12:58 to-day, and at 2:10 it was taken to Columbia for burial. The deceased was the widow of one of Columbia's best known citizens, who during his lifetime conducted a rolling mill in that place. She was also the mother of Col. D. B. Case, of Marietta.
