

FATALLY BURNED.

A LITTLE SON OF ANANDA REICHERTSETER LACED HIS LIFE.

His Clothing Ignited at the Stove While Playing With Paper—A Pair of Alleged Robbers Arrested.

COLUMBIA, April 17.—A very unfortunate accident happened yesterday at the residence of Mrs. Ananda Reichertseher, on Houston street, resulting in the death of her young child, Willie, a two and one-half-year-old boy, who had been left alone in the kitchen for a short while and had found a piece of paper. Going to the stove the child set fire to the paper and soon his clothing was in flames. His screams brought the grandmother into the room, who quickly put out the fire, but not before the child was terribly burned. The right side, arm and face were so badly burned that death resulted this morning at 6 o'clock. Dr. Taylor did all possible to relieve the little sufferer, but without avail. Deputy Coroner Hershey was notified and he had an inquest this morning. After viewing the remains and hearing the testimony of the family the jury decided that the death was due to being accidentally burned. The funeral will be held on Saturday afternoon at 2 o'clock, from the home of Mrs. Melantheiler.

Last night Officers Schill and Wittick arrested John Carson, William Richards and Patrick Fralley, tramps, for being drunk and disorderly. Squire Solly gave them five days each. A charge of robbery was also made against Carson and Fralley. While Fralley was asleep they stole some money from him, the robbery being seen by two passers-by. They were sent to jail for court.

Some time ago the Order of Railway Conductors chanced off a gold watch, which was drawn by G. W. Paulus. As he did not want the watch, it was returned to the order. As a token of appreciation the members had an elegant crayon portrait of Mr. Paulus, which was presented to him last night. The action of the order was greatly appreciated by the recipient.

"Partners for Life" was presented in the opera house to a good-sized audience, who were well pleased with the performance. To-night "Black Diamond" will be the programme.

The Franklin and Marshall Glee club will be greeted by a large audience on Tuesday evening. Barry LaMarr and company will present the laughable comedy "Widow Bedott" in the opera house on Saturday night.

The work at the new culvert on the Reading & Columbia railroad, over Shawnee run, has been completed.

Miss Lillie Egan, daughter of Squire Egan, is on a visit to friends at Haverford college.

Some time ago Frank G. Paine sold a house on North Second street to Peter G. Mishey. The house was occupied by Geo. Shank, who refused to vacate. The owner has tried to get the tenant to leave, but without success. This morning Constables Morrison and Schill went to the house to shut the shutters and then went into the house and locked the door. She is at present "holding the fort" and the constables are outside waiting for a chance to get into the house.

ARRESTED ON SUSPICION.

A Traveling Showman Said to Have Stolen a Watch.

This morning Detective Ed Barnhold went to Elizabethtown and arrested James C. Welch on the charge of stealing a gold watch from Reuben G. Bear, a man who lives between Intercourse and New Holland. Welch, who claims to live in Philadelphia, is traveling around through the county, visiting small towns, with a little show. His company is playing comedies and consists of two women and a few men. On Tuesday evening they appeared at Intercourse and last night they were at Elizabethtown, where they are billed to appear again to-night. While Intercourse Bear got in company with Welch and both were drinking together at a hotel. They were in the barroom together until everybody else had left. After they had separated Bear missed his watch. Yesterday he came to Lancaster and made complaint against Welch before Alderman Halbach. A warrant was given to Detective Barnhold, who learned where Welch was. He went to Elizabethtown this morning and arrested the showman. He brought him to the city, and in default of bail, Welch was committed to prison. A search of him was made, but the watch was not found.

Welch denies that he had anything what ever to do with the watch. He felt very badly over his arrest and said that it might hurt his business and reputation and might break up his company. There are people up about Elizabethtown who have known Welch for years and they say he has a good reputation. The lost watch is of Elgin movement No. 172,046, the case is No. 154,137. It is a hunting case with box hinges and Bear values it highly.

Death of Mrs. Mary A. Eberman. At an early hour this morning, Mrs. Mary A. Eberman died at the residence of her son-in-law, J. C. Herr, in Strasburg. The cause of her death was heart failure and hemorrhage of the head, and she had been complaining for some time. Mrs. Eberman was 53 years of age. Her maiden name was Potts, and she was a sister of the late Daniel Potts. She was the widow of Edward M. Eberman, who, for many years, was cashier of the Strasburg National Bank. She leaves three children, viz: Frank P., formerly proprietor of the Strasburg Free Press, now residing at Elm Station, Mrs. Edith Herr and Miss Ella.

Ministers to be Invited. The consistories of Allegheny, Plover and St. John's churches held a meeting at the City hotel, Reading, yesterday, to take action in reference to supplying those churches with a pastor, in place of Rev. M. L. Fritch, removed. The meeting decided to extend invitations to Rev. John P. Stein, of Millersville, and Rev. Aaron Spangler, of York county, requesting them to fill the pulpits formerly occupied by Fritch, for the present, until Fritch's case is disposed of. The congregations of those churches reserve the right to tender a call to either of those ministers to become permanent pastors.

Study to Have a Rehearing. The board of pardons has decided to grant John W. Rudy a rehearing, and the application for a commutation of the death penalty to imprisonment for life, will be heard at the May meeting of the board. By that time there will be 10,000 signatures to the petition praying for a commutation.

A. B. Hassler argued the application of Abe Buzzard, for a rehearing, but the board has not decided to grant it.

The Water Committee Out. This afternoon the new water committee of councilors paid their first visit to the water works, for the purpose of making an inspection. In addition to the committee quite a number of other gentlemen went out to look at the works. The committee left the mayor's office at 1:30.

Has Relatives Here. From the Reading Telegram. Charles Metz, son of Hebron Metz, 715 North Eighth street, died last evening of consumption, aged 22 years. Nine brothers and sisters survive—seven in Reading and five in Haverford. He was a member of Friendship Castle, No. 26, K. of F.

Dropped the Basket.

There is a basket at the shoe store of Shaub & Burns which the owner can have by calling, but it is altogether likely that he will not put in an appearance. The firm are waiting for an addition to one of their buildings and in the rear of the store there is a box filled with lime to be used in making mortar. On Tuesday morning at an early hour the night watchman saw a man acting suspiciously about the lime box. The fellow ran away when the watchman approached, and afterwards a basket, which had been filled with lime by the thief and left behind, was found.

Presented a Badge. James B. Donnelly, of Hotel Shamrock, has had made to order a solid gold badge to be presented to Lancaster Schutzen Verein to be shot for on the opening day of the season of 1890 by members of the organization residing in this city. The badge has a carved scroll at the top with the inscription "Presented by J. B. Donnelly to the Lancaster Schutzen Verein." From the scroll is suspended, by a silver chain, a perfect representation of a Shamrock leaf. The person winning it must defend it and win it three times before it becomes his property.

Lutheran Conference. The fourth conference of the Evangelical Lutheran ministerium closed its session at Ephrata on Wednesday evening.

Rev. E. L. Reed was elected secretary to fill a vacancy caused by a removal beyond the bounds of the conference of the former secretary.

Committees were appointed to arrange for a missionary convention at Mt. Gretna in June and for a Sunday school convention in this city in the fall.

Papers were read on the secularization of the church and discussed by the members. The next conference will be held in Millersville in the fall.

A Woman Lecturer. Mrs. Margaret Shepherd, who says she is a converted Romanist, delivered two lectures in Proctor's opera house on Wednesday. In the afternoon she lectured to ladies only, on "Secrets of the Confessional," and in the evening her subject was "The Inner Life and Awful Penances Performed in Nunneries. Reasons Why I Left the Nunnery." The lecture was of the usual "converted nun" style, and we do not find anything in the notes of it that is fresh or interesting enough for publication.

A Runaway. This afternoon a son of Jacob Ottofer, butcher, on Manor street, was driving two horses hitched to a wagon along Manor street. The tongue of the wagon broke and the horses ran the corner of Laurel and Market streets, where both fell down. One fell upon the other and both were stopped. The young man was thrown from the wagon and bruised. Both horses were injured. One had several teeth knocked out, and they were badly cut and knuckled.

Fifteen Cars of Emigrants. The number of emigrants that passed through this city this spring is not as large as several years ago. Formerly a regular train, for emigrants only, passed through Lancaster every morning, and some times there were several sections. This morning the largest number of foreigners that have gone West in a long time passed through here. There were three sections of Pacific Express due here at 1:25, and fifteen of the cars were loaded with emigrants.

An Assault and Battery Case. Cyrus Rollins, charged with committing an assault and battery on J. C. Aldrich, was heard by Alderman A. F. Donnelly, last evening. The case was clearly made out and will be returned to court unless the defendant pays the costs by Saturday night.

Annoyed His Neighbor. Ben Phillips, living in the Fourth ward, was on a spree on Wednesday and annoyed his neighbor, Adam Hook, with his disorderly conduct. He was prosecuted before Alderman Halbach and spent the night in the station house. He was released on bail this morning for a hearing on Saturday.

Bought a Plant. The Steam Radiator company plant on West Chestnut street, has been purchased by James B. Best. The price paid was \$3,543.

Postponed. The members' reception of the Young Men's Christian association, which was to have been held Tuesday evening, April 22, will be postponed until the 6th of May.

A Happy Woman. Allow me to express my appreciation of C. U. Hoke's Electric Medical Supporters. For four years I suffered with sick headache, pain in the back, dizziness and fainting spells frequently. The pains were at certain periods so severe that I was unable to do my work. My physician's consultations were prevented. I was in misery all the time, and it actually seemed a burden, as physicians had told me I could never be cured. My husband employed the best physicians, but with all his outlay of money for medical attendance I continually grew worse until September 20, of this year, when in the midst of one of my most severe attacks and in almost utter despair, I in answer to the advice of my husband, commenced wearing one of your abdominal supporters. In one week the pains were entirely gone and from that day to this I feel like a different woman, am well and able to attend to my household affairs, and I actually would not take twenty times the amount I paid for it if I could get another. I will take pleasure in telling any who may be a sufferer all the circumstances if called upon, and you are at liberty to send such to any resident at any time.

The address of this lady will be given to any sufferer or sufferer's friend who will call on C. U. Hoke.

Relief Found at Last. Having been a great sufferer from falling of the womb for the last 15 years, tried medicine and other appliances, but to no avail, until I applied one of C. U. Hoke's Electric Medical Supporters. My case was a bad one and I advise all sufferers to use Hoke's Supporters. Mrs. Alexander Miller, March 12, Chester county, Pa. apt-134422w

CURED IN THREE DAYS. The Marvellous Effect of Hoke's Electric Belt on a Chronic Sufferer. Harry Edward Fitzgerald, of 514 Woodward street, who is a watchman at St. Cecilton mill, says that his wife has been a sufferer from rheumatism for twelve long weeks. So intense was her pain that she was unable to lift hand or foot. It caused her to exclaim, "I can't even move my head. She had to be raised on and off her bed in a sheet, as the slightest touch on her body increased her pain ten fold. On the 9th of the present month Mr. Fitzgerald purchased one of C. U. Hoke's Electric Medical Belts, which he applied to his suffering wife, and the effect was indeed electrical. In three days Mrs. Fitzgerald was able to leave her bed and move about with ease and freedom and without the slightest pain. Yesterday she was out of doors visiting the neighbors. "I cried for very joy," concluded Mr. Fitzgerald, "when I came home from my work today, and saw my wife come to meet me. I cannot express my thankfulness for the marvelous restoration of my wife's health and bodily strength through the use of the Hoke Belt." C. U. Hoke, inventor, will be at Herr's Furniture Store, 36 North Queen street, every Wednesday and Saturday. apt-17-94d
