COLUMBIA, April, 18.—Harry Ruby, or re-year-old son of Henry K. Ruby, on ve-year-old son of Henry K. Ruby, on sion Street, met with a very serious acci-ted yesterday afternoon. He was hang-behind Denrbeck's bread wagon, and a some manner had his legs and arms might in the rear wheel. A person sitting as a door step saw the predicament of the boy and called to the driver to stop his borse. The wagon was stopped at once and the child released. His left leg was broken above the knee and his head and seek were badly bruised. Dr. Marke rea summoned to attend to the injured thild. Those who saw the accident say but had the wagon gone a foot further the hat had the wagen gone a foot further the hild's neck would have been broken.

George L Meyers, brakeman on crew No. 25, of the P. R. R., was poling cars resterdsy afternoon when the pole broke and struck him on the breast. He was sinfully bruised and will be kept off duty

for some days.

Patrick Welsh, brakeman on crew No. 9, of the P. R. R., had his right hand caught between two cars while coupling yesterday.

The hand was severely bruised and will hand was severely bruised and will It has been reported about town that the advocates of an up-town location for

the postoffice are buying stamps in o her places and selling them in the upper section of the town. It is not the intertion of these parties to do injury to the postmaster, but to express their dissatisfac-tion at the course of the government in disregarding their petition to move the office.

The people selling the stamps say it is a convenience. Their sales will reduce the revenue of the local office and will probably postpone a free delivery and affect the salary of the postmaster. The post-master is reluctant to talk of the matter, but says that while it will not affect him. He also ed that notwithstanding this fact he will how later that the pies at month is the beaviest in point of revenue than any month during his term of office. The funeral of Eugene Snaveley was

held yesterday afternoon and was largely attended. Services were held at Trinity Reformed church. Liberty Circle No. 23, B. U. (H. F.) C. A., attended the funeral The Franklin and Marshall Glee club

will give a concert in the opera house this evening for the benefit of the Brotherhood of Locomotive Engineers. The hox sheet of Locomotive Engineers. The box sheet indicates a large audience.

### THE U. S. MARINE BAND. They Give an Entertainment To the

Ushers and a Few More. There was a very small audience at Fulton opera house last evening, when the Marine band, of Weshington, which is one of the finest musical organizations in this country, appeared. There were several causes for the small attendance. There was a very large party going on at the time, which was attended by a great many society folks, while others attended the vecture of Kennan at the court house. These are just the people who would have gone to the opera house. The members of the band were astonished and disgusted at their slight patronage, yet it must be said that but few people knew that the band would visit Lancaster until a few days sgo. It would be but little wonder if attractions of this kind would give Lancaster the go-by for good. Two years ago Gilmore brought his big band here and played to a few dozen people. It is not likely that he or the Marine people will ever be here again until they have ome assurance of an audience.

In the small su lience of last evening were a number of musical critics of the city, and there were delegations from different bands in the county. The entertain-ment was one of the best of its kind ever given here. The selection were all of the st and were admirably produced. A feature of the programme that was very ane was the clarion at solo of Felix Iradella. It really is a wonderful band, composed of the finest musicians, and they are a credit to the government. Miss Maria Decca, a young lady with a strong soprano voice, ang several selections that pleased. ROBBED OF \$46.

Horace Roberts Loses That Amount By

a Bold Theft. Horace Roberts, who is at present acting was the victim of a thief on Thursday after

noon. His overcoat and another coat was hanging on the hook he was accustomed to place them, on the jamb of the door leading to the orphans' court room. In the pocket of one coat was a large pocketbook con-taining two \$20 bills and six \$1 bills, several promissory notes and other papers of value to him only.
Several times during the afternoon he

was in the corridor of the court house, but at no time was away from the office more than a few minutes. When the time came to close the office be reached for his coat and found it was gone. He thought some of the court house clerks had secreted it for a joke and he made inquiry of all of them and learned that they had not done so. He then concluded that a thief had got his work in and he reported the theft to Chief Borger.
No suspicious characters were seen loiter-

ing around the corridor during the afternoon and the officers have not the slightest ides who committed the theft.

Bad Boys to Receive Attention. Mayor Clark has been complained to a great deal by good citizens who are annoyed by gangs of boys who gather at different corners during the evenings and make a terrible noise besides otherwise acting badly. A number of people state that they have had their windows broken by these young rascals, while others say that they are constantly being insulted The mayor will station policemen at what ever corners crowds gather and the bad boys will be arrested. Attention will also be given to the gang that make the reservoir ounds their headquarters for loafing in

Damages Assessed By Vlowers. The viewers appointed by the court to assees damages caused by the proposed widening of West Orange street, from farietta to Columbia avenues, filed their rt to-day. They awarded the followdamages to be paid by the county: on C. Hager, \$330: Benjamin Schaubel, 325; A. G. Brosey, \$225; Frank Remly 200, and George Remly, \$50. To be paid by the city: A. G. Brosey, \$375; Frank Remly, \$325. The viewers report that there is no necessity for the widening of

This was the date designated for the meeting of viewers to assess damages to Philip Rudy by reason of the widening of North Queen street between Chestnut and Walnut. Owing to the absence of Dr. Groff, through sickness, nothing was done.

WHO WILL IT BE! Major B. Frank Breneman Is Now Spoken of As a Congressional

Spoken of As a Congressional Candidate.

For some time the Republicans who are dissatisfied with Congressman Brostus, and there are a great many of them, too have been trying iq get a candidate to run against the honorable Marriot. So far their efforts have been unauccessful, although many good men have been mentioned. Among those thought of at the beginning of the week were P. J. Roebuck and Samuel M. Myers, ex-county commissioner. The latter, it is said, would like to be a candidate, but some of the leading politicians do not want him. He has a wide acquaintance through the county and when he gets his blood up he is a hustler. A man whose name is now in the mouths of all the politicians is Major B. Frank Breneman, of the firm of Flinn & Breneman. Although the major has mover been an active politician he is well known and very popular. If he is put in the ring the men who put him out will stand by him.

Entertained Their Friends.
A very elegant and delightful social entertainment was given last evening by Mr. and Mrs. Geo. Nauman, at their home at No. 439 East King street, to their many friends in Lancaster and elsewhere. From 7 p. m. to 10:30 Mr. and Mrs. Nauman, as sisted by her sister, Mrs. Spencer Gilbert, of Harrisburg, Miss Nauman, the Misses Coxe, of Harrisburg, and other friends, received a most brilliant company of the best known society people of Lancaster; and until 1:30 a. m. the strains of Taylor's orchestra accompanied the flying feet of merry dancers. The spacious parlors, halls, library and dining rooms of the Nauman mansion were beautifully decorated with flowers and growing plants, and the mellow light of waxen tapers was re-flected from many tinted shades. Within the dining room, from a table that was elaborately decorated, Caterer Payne served a sumptuous collation ; and, all in all, the party was one of the most notable successes of Lancaster's eventful social season.

That Stolen Violin. The violin stolen by Tommy Tinker, the colored boy, from a band of gypsies a few days ago, was recovered on Thursday by Officer Eiseman, where the darkey had sold it for \$1. City Controller Verbeke, of Harrisburg, heard of a violin being found in this city and he came to Lancaster, thinking it might be the valuable ore stolen from his office a short time ago. He examined the violin at the mayor's office, but it was not his.

A Rafting Party. This morning a party of a dozen ladies and gentlemen left this city for Marietta,

where they took a raft and made the trip lown the Susquehanna.

THERE will be a free lecture on the Johnstown flood to be given by Rev. Bates, of Johnstown, in the First Reformed church this evening. In connection with the lecture a collection will be taken toward rebuilding the church which was destroyed by the flood.

THE Woman's Indian society will hold its regular monthly meeting in the Moravian church to-morrow afternoon at 3 o'clock.

CURED IN THREE DAYS.

The Marvelous Effect of Hoke's Electric Heit on a Chronic Sufferer.

Harry Edward Fitzgerald, of 514 Woodward street, who is a watchman at No 3 cotton mill, any that his wife has been a sufferer from rheamatism for twelve long weeks. So intense was matism for twelve long weeks. So intense was her pain that she was unable to lift hand or foot, and it caused her excruciating agony to even move her head. Mhe had to be raised on and off her bed in a sheet, as the slightest touch on her body increased her pain ten fold. On the 9th of the present month Mr. Fitzgerald purchased one of C. U. Hoke's Electric Medicated Belts, which he applied to his suffering wife, and the effect was indeed electrical. In three days Mrs. Fitzgerald was able to leave her bed and move about with ease and freedom and without the slightest pain. Yesterday she was out of doors visiting the neighbors, "I cried for very joy," concluded Mr. Fitzgerald, "when I came home from my work to-day and saw my wife come to meet me. I cannot express my thankfulness for the marvelons restoration of my wife's health and bodily strength through the use of the Hoke Beit."
