THE CONFERENCE ENDS.

PAN-AMERICANS CONCLUDE THEIR WORK IN WASHINGTON AT NOON.

They Pay Their Respects to the President—Secretary Blaine Invites Them to Visit the South.

WASHINGTON, April 19.—The Pan-American conference adjourned sine die at noon to-day.

Previous to the announcement of adjournment Secretary Blaine addressed the body, complimenting the members upon the work accomplished by the conference and on behalf of President Harrison invited the members of the conference before they shall leave for their homes to accept the hospitality of the United States in a visit to the Southern section of the Union similar to the one they made to the Eastern and Western sections.

After the adjournment the members of the conference took carriages to executive mansion to pay their respects to the president.

The delegates were received by the president in the East room shortly after noon, each of them being introduced to him personally by Secretary Blaine. The president then addressed the delegates briefly.

Will Collect the Tax

The commissioners have awarded the contract for the collection of the state and county taxes for 1890 for the city. B. F. Hastings will collect the west wards and J. B. Samson the east wards.

A Cold Night.

The temperature was at the ice-forming point last night. Kettles of water in exposed places were frozen over, the ice being nearly half an inch thick.

Appointed Notaries.

H. B. Becker, of East Earl, and John H. Brubaker, of Elizabethtown, have been appointed notaries public by Governor Beaver.

A Happy Woman.

Allow me to express my appreciation of C. U Hoke's Electric Medicated Supporters. For four years I suffered with sick headache, pain in the back, dizziness and fainting spells frequently. The pains were at certain periods so severe that it was with the greatest difficulty that convulsions were prevented. I was in misery all the time, and life actually seemed a burden, as physicians had told me I could never be cured. My husband employed the best physicians, but with all his outlay of money for medical attendance I continually grew worse until September 28, of this year, when in the midst of one of my most severe attacks and in almost utter despair, I, in answer to the advice of my husband, commenced wearing one of your abdominal supporters. In one week the pains were entirely gone, and from that day to this I feel like a different woman, am well and able to attend to my household affairs, and I actually would not take twenty times the amount I paid for it if I could not get another. I will take pleasure in telling any who may be a sufferer all the circumstances if called upon, and you are at liberty to send such to my residence at any time.

The address of this lady will be given to any sufferer or sufferer's friend who will call on C. U. Hoke.

Relief Found at Last.

Having been a great sufferer from falling of the womb for the last 15 years, tried medicine and other appliances but found no help until I applied one of C. U. Hoke's Electric Magnetic Medicated Supporters. My case was a bad one and I advise all sufferers to use Hoke's Supporter. MRS. ALBERT MILLER, Marsh P. O., Chester county, Pa. ap17,19d&a23w

CURED IN THREE DAYS.

The Marvelous Effect of Hoke's Electric Belt on a Chronic Sufferer.

Harry Edward Fitzgerald, of 514 Woodward street, who is a watchman at No 3 cotton mill, says that his wife has been a sufferer from rheumatism for twelve long weeks. So intense was her pain that she was unable to lift hand or foot, and it caused her excruciating agony to even move her head. She had to be raised on and off her bed in a sheet, as the slightest touch on her body increased her pain ten fold. On the 9th of the present month Mr. Fitzgerald purchased one of C. U. Hoke's Electric Medicated Belts, which he applied to his suffering wife, and the effect was indeed electrical. In three days Mrs. Fitzgerald was able to leave her bed and move about with ease and freedom and without the slightest pain. Yesterday she was out of doors visiting the neighbors. "I cried for very joy," concluded Mr. Fitzgerald, "when I came home from my work to-day and saw my wife come to meet me. I cannot express my thankfulness for the marvelous restoration of my wife's health and bodily strength through the use of the Hoke Belt."

C. U. Hoke, inventor, will be at Herr's Furniture Store, 343 North Queen street, every Wednesday and Saturday. apr17-3td

Men's Gossamer, Genuine Calfskin, Plain Broad Toe Shoes, in Lace and Congress, sizes 5 to 10, $2 50 per pair. Of course, not much can be claimed (in wear) for a Man's Light-Weight Shoe at $2 per pair, as it is generally known that a $2 heavy shoe will almost outwear two pairs of light ones at the same price; but they are the shoes for men who are satisfied with more comfort and less wear. The $2 50 line is made out of light, but plump calfskin, and it is surprising how well they wear for light shoes; they are made with smooth insoles, and the Congress with hub gore, which is guaranteed for one year; they are as easy as Hand-Sewed Shoes to the feet.
