WILLIAM COLLINS TERRIBLY INJURED AT MOUNTILLE ON SATURDAY.

While Attempting to Board a Train His Legs Are Caught by the Wheels and Very Badly Lacorated.

COLUMBIA, April 21.-William Colline, well known plasterer of town, met with a very serious accident, on Saturday after-noon, at Mountville. He left town at 12:25 p. m., and after spending a couple of hours at that place, attempted to board an east - bound freight train to go to Lancaster. He missed his footing and both legs came in contact with the wheels. The left leg was very severely injured, and will in all probability make him a cripple for life. The flesh from the knee to the ankle was torn away, and the bone exposed. The ankle bone was shoved into the flesh of the foot. The toes on the right foot were injured, and a portion of two cut off. He was given attention in Mountville and brought to town at 6 p. m. He was taken to his home on Cherry street, above Fourth, where Drs. Craig and Lineaweaver attended him. It was reported that the left foot was amputated, but such is not the case.

David Kline, a farmer living near town was driving out Third street, on Saturday evening, when his horse ran away. The wagon ran against some obstruction on the sidewalk, and Kline was thrown from the wagon. He was somewhat bruised by the

T NEVER FAILS!
Frailey's Vegetable Vermifuge Syrup never fails to eradicate stomach, bowel and seat worms from the infantile system. It requires no purges after taking, and will not sicken the stomach like most of the candy and sugar cares. A gentleman who gave it to his child, said: "I would not take 80 and be without your syrup. Our boy must have been almost caten up by worms." Frailey's Vegetable Vermifuge Syrup is prepared and sold only by WM. O. FRAILEY'S EAST END PHARMACY, (Opposite Eastern Market). Of course, not much can be claimed (in wear) for a Man's Light-Weight Shoe at \$2 per pair, as it is generally known that a \$2 heavy shoe will almost outwear two pairs of light ones at the same price; but they are the shoes for men who are satisfied with more comfort and less wear.

The \$2.50 line is made out of light, but plump calfskin, and it is surprising how well they wear for light shoes; they are made with smooth insoles, and the Congress with hub gore, which is guaranteed for one year; they are as easy as fland Sewed Shoes to the feet.
