A Charitable Bequest to be Refused.
Philip Marett, a Frenchman, died several years ago, and among other legacies left \$130,000, the interest of which was to go to the city of New Haven upon the death of his daughter, to care for the poor of the city. She has died, and on Monday a committee of the city government discussed as to whether or not the city will accept the legacy. There is very little doubt that it will be refused, as the members of the committee are practically agreed that the fund would simply be at the disposal of the ruling political party, as no provisions or conditions were imposed. The daughter, the income to be used as he thinks best for the lessoning of the sufferings of all kinds of animals.

The Clangor of an Alarm Bell
Close by, in the stillness of the night, could scarcely startle the ordinary individual more than do triding noises the nervous invalid. But once the nerves are braced and the system invigorated with Hostetter's Stomach Bitters, this abnormal sensitiveness is succeeded by a tranquility not to be disturbed by trivial causes. Impaired digestion is a fertile cause of nerve weakness and unnatural mental gloom, and a vigorous renewal of the action of the stomach is one of the surest means of invigorating and quieting the nerves. Insomnia, or sleeplessness, a form of nervous disease, is unquestionably benefited by sedatives, when it is prelionged, or of frequent occurrence, but its permanent removal is more effectually achieved with the Bitters. This medicine is also signally efficacious for malaria, rheumatism, constipation, liver complaint and torpidity of the kidneys and bladder.

A Large Estate. A Large Estate.

A broad land is this in which we live, dotted so thickly with thrifty cities, towns and vilinges! Amid them all, with ever-increasing popularity and helpfulness, is Dr. Pierce's Golden Medical Discovery, giving hope and cities where there is disease and despair. Wherever there is humanity there is suffering; wherever there is suffering there is the best field for this greatest American remed, Consumption (which is lung scrofuls), yields to it, if employed in the early stages of the disease; Chronic, Nasal Catarrh yields to it; Kidney and Liver diseases yield it! If you want the best known remedy for all diseases of the blood, ask for Dr. Pierce's Golden Medical Discovery, and take no other. It is guaranteed to cure in all cases of diseases for which it is recommended, or money refunded.
