Wholesale Suicide of Cats. N. Y. Star,

ne proprietor accused the laborers of wing the cats into the lime, and was at to have each of the employes are don the following day, when, to his orise, the men, who had been absent a the place all night, brought up two e dead bodies of cats burned just as the ors were. That evening one of the protors, Mr. Jerry Mullin, saw a cat derately jump into the lime. The men e called, and the cat was fished out. It a few hours later. The laborers took as and felt around in the lime for more. They found two, making seven dead es found in the lime and one cat resisted.

Then the men invented a kind of life preserver for other cats who might be attracted to the place. Pieces of wool were thrown into the lime, and other boards were placed from the edge of the tub to the bottom, so that cats falling or jumping into the lime would have something to eatch hold of and climb out. Through these preserves one old cat and a kitten, about a new months old, managed to escape death. What attraction there is for cats in the lime cannot be learned, but it is certain that the cats went into the tub of their own second.

E. Bainbridge Munday, Esq., County Atty, lay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, out was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: He positively believes he would have died, had it not been for Electric Bitters.

Are you disturbed at night and broken of our rest by a sick child suffering and crying LOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere, forcets a bottle. june261yd&w

You Can Depend On It. "For severe toothache and neuralgia of the head I used *Thomas' Eclectric Oil*. This is cer-tainly the best thing I ever knew of for relief of pain of any kind. The New Discovery. The New Discovery.
You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial Bottles Free at W. T. Hoch's Drug Store, No. 139 N. Queen street, Lancaster, Pu.

The above is an old saw as savage as it is senseless. You can't "grunt out" dyspepsia, nor liver complaint, nor nervousness if they once get a good hold. They don't remove themselves in that way. The taking a few doses of Burdock Blood Bitters is better than "grunting it out." What we can cure let's not endure. Sold in Lancaster by W. T. Hoch, 137 and 139 North Queen street.

HIS FINGER NAILS CAME OFF.

"For a year I was afflicted with a horrible case of blood poison, and upwards of five months of that time I was unable to do work of any kind. My finger nails came off and my hair dropped out, leaving my head as clean and smooth as if it had been shaved. I consulted the best local physicians, and spent hundreds of dollars for medicines of different kinds, but without receiving the slightest benefit. I was advised finally to visit Hot Springs. This I did, but becoming diagnated with the treatment I was receiving there, commenced taking Swift's Specific (S. S. S.) The effect that S. S. E. had on me was truly wonderful. I commenced to recover after taking the first bottle, and by the time I had taken twelve bottles I was entirely cured—cured by Swift's Specific (S. S. S.) when the world-renowned Hot Springs had failed.
