REUNION OF THE RESERVES. POURPE ANNUAL MEETING OF THE FIFTH MELD AT COLUMBIA.

Forty Members Attend -The Day's Exerclose to Close With a Camp-Fire-Gov. Curtin and Others to Be Present.

Columbia, May 14.—The fourth annual reunion of the Pinth Pennsylvania Reserves was held here to-day. The companies comprising this regiment were recruited in Centre, Lancaster, Huntingdon, Lycoming. Northumberland, Clearfield, Union and Bradford counties. Although the survivors are well scattered over the country, there were about forty of the old members present.

The survivors were given a cordial welcome by the local Grand Army members. The town has put on a holiday appearance and many business houses and private dwellings are gally decorated in honor of the event. The presence of the survivors and the distinguished guests, together with the participation by the members of Gen, Weish Post and citizens generally, made the occasion an interesting one.

At 10 o'clock a short street parade of the visitors followed the route published last night. They were escorted by Gen. Weish Post. After the parade a public reception was tendered the veterans in the post room. An address of welcome was made by Chief Burgess Bloomfield on behalf of the town author it is. Rev. J. B. Shantz, of Chambersburg, responded. At 240 this afternoon ex-Governor Curtin arrived in town. He will be present at the camp-fire in the

will be present at the camp-fire in the opera house to-night.

At 3 o'clock a business meeting was held in the post room. At 8 o'clock the camp-fire will be held, presided over by Robert H. Grier, late a member of Company H., from Jersey Shore. Gen. D. H. Hastings, Hon. Thos. J. Stewart, E. K. Martin, esq., and Rev. J. B. Shantz will be present.

The guests are being entertained by the members of Gen. Welsh post, and everything possible is being done for their pleasure and comfort.

Seriously Injured by a Fall. COLUMBIA, May 14.—William M. Morrison, painter, met with a very serious accident yesterday afternoon at the residence of Wm. B. Given. He had a gang of workmen at that place, and went up a ladder to give a painter some instructions. In some manner he fell from the ladder to the ground, a distance of twelve feet. He was unconscious and remained so for over an hour. Dr. Livingston was summoned and gave him attention. No bones were broken but he sustained a terrible shock to his system. It may result in concussion of the spine. The injured man was sent to his home in wrightsyille.

They Were Drunk and Disorderly. John Kennedy, who admitted being a ramp, was arrested on Tuesday by Con-lable Price. Alderman Barr sent him to

jail for 5 days.

James Collins, arrested at the corner of Church and Rockland streets for drunkenness and disorderly conduct, was sent to jail by the same magistrate for 20 days.

His punishment was originally made 10 His punishment was originally made 10 days; the additional ten days was added for impudance.

impudence. oseph Bachman was picked up by Conbood. Alderman A. F. Donnelly committed him for 48 hours.

B. F. Bard and Wm. McComsey, two

young countrymen came to Lancaster this morning to see the circus. They wandered to Middle street and were arrested on that thoroughfare by Constables Crawford and Merringer. They will be given a hearing by Alderman A. F. Donnelly as soon as they get sober enough. A Strange Accident.

A strange Accident.

A rather strange accident occurred to a team belonging to Jacob Newcomer, who resides near Mount Joy. The team was of two horses and it was standing at a quarry while being loaded with stones. A passing tend of hay frightened the horses and immping saide both fell down the quarry bank, near the edge of which they were standing. One horse fell upon a cross bar, which was standing up and the iron entered the animal's belly to the depth of twelve inches and ran up under the shoulder blade. A boy found it a very difficult matter to pull the iron out. The wound made was a very ugly one, but it is believed that the horse will recover. Both of the animals were very badly bruised. Freshmen as Prize Tramps.

A party of freshmen from the Sheffield ientific school of Yale have just returned scientific school of Yale have just returned from an exciting trap. They were candidates for admission to two of the college secret societies, whose rules prescribe ludicrous feats for admission. They had in this case to "beat" the railroad for a stated number of miles as professional beggars and procure a stated sum of money. Disguising themselves as tramps, they started to "do" the state. After a two weeks trip they returned, a mass of dirt, rags and experience. They won the prize, however. In Springfield and Meriden they were arrested as vagrants and suffered several days imprisonment.

A Birthday Surprise Party. A Birthday Surprise Party.

Last evening about thirty young couples met at No. 138 East Frederick street and marched to the home of Miss Minnie L. Toll, No. 228 Harrisburg avenue, taking her by surprise. The evening was spent in dancing and playing of games, etc., after which the party partook of an elegant banquet. Miss Toll received a number of handsome presents. The committee of arrangements consisted of Missos Dora Toll, Minnie Rhoney and Cora Barr.

The circus attracted a large attendance of farmers to this morning's market. Produce was abundant and cheap, with the exception of eggs. They were sold at 14g16c and there was not enough to supply the demand. Forestalling the market had something to do with the acarcity of eggs.
