The Concert This Kvening.

The concert for the benefit of St. Joseph's hospital, at the opera house to-night, should attract a large audience. The people booked for the leading roles are well known in the musical world. The chorus will be made up of St. Mary's choir and other local talent, under the direction of Prof. Carl Matz. The chorus selections to be rendered are the "Agnes Dei "and "Gloria "from Father Ganas" celebrated mass. St. Joseph's hospital is a very worthy charity. Those who have not yet purchased tickets will aid a worthy institution by doing so. The enormous amount of money saved by this seemingly so small a reduction, will be made clear to you at once if you come to our store next Friday, and buying one thing at this counter and one at another you will find the money saved

We cannot ask our customers to come and buy when it suits us, but we can give them such inducements as will attract them and get them into the habits of people in larger cities, who do not put off all their shopping to Saturdays, but take advantage of Cheap Day, save money, and are served with more comfort and receive better attention than they can expect when the stores are

It is a matter of time when the Ladies of this city will find out the advantage of this Cheap Day, and we have no doubt that other stores will eventually follow our example and in times to come.

We don't expect to be rushed next Friday.

The thing is new and people will have to get accustomed to it gradually, but Busy or Not Busy we mean to keep it up, and hereafter Friday will be Cheap Day for all those who wish to take advantage of it.
