A RUSSIAN "BOJAR" ARRESTED.
A Queer Bit of Noble Eric's-Arrested Whose Sanity is Questioned.

Count Theodore Bogal, of Kiev, Russia, was arrested for raising a disturbance in the Russian house, Chicago, on Wednesday night. He says he came from Kiev, Russia, in 1872, and worked as a clerk in various drug stores.

This was apparently what upset the Russian, for his disturbance in the Palmer house consisted of proclaiming in the corridors such announcements as "Hurrah! I'm now a Bojar, which beats my father's title by one point! I'll captain in the Royal Guards! I'll go back to Russia and do the Kaiser's work for the Great, I'll teach all Europe how to fight."

That Tired Feeling

You cannot always tell what may be its cause. Frequently it may be due to overwork of organs, chronic, or to indigestion, or to nervous ailments. But there is no mistaking its cause. You know you feel "almost tired to death," without strength to do anything; ambitions seem to be all gone, and in its place indifference to how the world wags—a tasteless languor and weakness.

Hood's Sarsaparilla

describable languor and weakness. You have no appetite, do not care about food, and only eat because it is the hour for eating, or from force of habit. This must be stopped. Your condition must be changed at once, or like a ship drifting with the inward tide, you will soon be dashed upon the rocks of incurable disease and death.

Weak Strong

"My daughter had an abscess on her neck for five or six years, being all the time under care of physicians, without any perceptible relief. Hood's Sarsaparilla was then recommended to me for her, and it has entirely cured her."
