

A CHEAP MONKEY SHOW.

How the McKinley Bill Looks to a Southwestern Republican Paper. The Wichita (Kansas) Eagle, edited by March M. McKinley, a prominent Republican paper in southwestern Kansas, has this to say in double-column editorial:

The McKinley bill is an outrageous performance. It is but a cheap monkey show in the face of high heaven and of the American people.

What do we care about the duty on eggs and on hay? This suggestion ought to reach the average Kansas farmer's intellect, and start the hens of every barnyard west of the Mississippi to crowing.

The Lord preserve us! But what with the McKinley bill, the suspension of the Reed-Cannon led crowd in the lower house of Congress, and hypocritical prohibition.

As the stars in their course fought against Sisera, so the civilization of the closing days of the nineteenth century is fighting against the hide-bound tariff burdens with which the West is being maddled by the incorporated bloats of Eastern manufacturing and Atlantic shipping interests.

Look Here, Friend, Are You Sick? A Spring Medicine. The druggists claim that people call daily for the new cure for constipation and sick headache, discovered by Dr. Williams in the Rocky Mountains. It is said to be Oregon grape root (a great remedy in the far West for those complaints) combined with other powerful ingredients.

Epoch. The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is recorded in the following case, and the agency whereby the good health has been attained is gratefully blessed.

Let us all pull out of this sea of sickness and dependency and get on to a rock foundation of good, strong health. Dr. Williams' Pink Pills are the only thing to do for you. They are the most renowned health restoratives ever manufactured.

Hood's Sarsaparilla

The marked benefit which people in run down or weakened state of health derive from Hood's Sarsaparilla, conclusively proves the claim that this medicine "makes the weak strong."

Hood's Sarsaparilla

"I have taken two bottles of Hood's Sarsaparilla for salt rheum and dyspepsia, with which I was troubled very much. After taking this medicine I am feeling as well as ever in my life. I consider and advertise to it years in business."

Hood's Sarsaparilla

"For three years I suffered with dyspepsia, growing so bad that I was at one time completely broken down in health. I began taking Hood's Sarsaparilla on trial, and seeing that it was doing me good, continued with it. After taking six bottles I gained strength and appetite and was restored to my former health."

Hood's Sarsaparilla

Seven years ago my little boy was bitten by a spider. The poison entered his blood, and soon soon broke out about his body; they itched terribly and caused him intense suffering. Finally we tried Hood's Sarsaparilla, and he took one bottle and one-third of another, when the sores disappeared. He has had a sore spot on him now, and is perfectly cured."

Hood's Sarsaparilla

"I have used Hood's Sarsaparilla and find that it accomplishes all that is claimed. I was troubled with a breaking out of the skin, commonly called 'hives.' Hood's Sarsaparilla gave me immediate relief. I can cheerfully recommend it to all those similarly afflicted."
