Hather Exciting Matrimony.

Harry Goodwin and Cora Skinner, of Lawrenceburg, Ind., ran away on Monday to get married. They found 'Squire Sterling was at Elizabethtown, Ohio, just 200 yards over the state line. As they reached the 'squire the girl's father could be seen in the distance pursuing on horseback. Sterling, grasping the situation. told the lovers to grasp hands and run for Indiana, as the license was not good in Ohio. The three scrambled over fences. Crossing the line the 'squire stumbled and fell, but had just sufficient breath to pronounce the words as the angry father galloped up too late. A large crowd witnessed the race and cheered the bridal couple. The father left without bestowing his blessing. The Preventive of a Terrible Disease

No disorders, excepting the most deadly forms of lung disease, involve such a tremendous destruction of organic tissue as those which fasten upon the kidneys. Such maladies when they become chronic—and none are so lisble to assume that phrase—completely wreck the system. To prevent this terrible disease, recourse should be had, upon the first manifesation of trouble, to Hostetter's Stomach Bit tation of trouble, to Hostetter's Stomach Bit-ters, which experience has proved to be highly effective as a means of imparting tone and reg-ularity to the organs of urination, as well as to the liver, stomach and bowels. Another bene-ficial result of this medicine, naturally conse-quent upon its diuretic action, is the elimina-tion from the blood of impurities which beget rheumatism, neuraiglas, gout, dropsy, and other maladies. By increasing the activity of the kidneys, it augments the depurative efficiency of these organs, which are most important out-lets for the escape of such impurities. ju3-10

A Pennsylvania Railroad Man Tells Remarkable Cure of Scrofulous Humor-Read It.

Mr. Ruby, who makes the following statement, is a well known railroad man, running on the Fennsylvania Railroad between Columbia, Fenn., and Fhiladelphia:

"I feel that I wish to tell what has been come for us and our little boy by Rood's Barsaparilla. He is now six years of age, and, until a short time ago, has ever since birth been a terrible sufferer from serofulous humor. Sores would appear on him and spread until they were as iarge as a dollar, and then discharge, only to be followed by others, so that the larger part of his body was one mass of sores all the time. The sorofula was especially severe on his legs and back of his ears and on his head. His hair was so matted that combing was cometimee impossible. His ears became so thin that we could see through them, and were actually AFRAID THEY WOULD DEOF OFF.

up; the flesh began to look more natural and healthy. Then the scales came of and all over his body new and healthy flesh and skin formed. When he had taken two bottles he was entirely free from sores, having only the scars to show where they had been. These are gradually disappearing. The little fellow was curing him, and he would call for 'My medicine' when the time came for him to take it. We are unable to express our thanks for the good Hood's Sarsaparilla has done our little boy." HARRY K. BUBY, Box 386, Columbia, Pa. The little fellow was curing him, and he would call for 'My medicine' when the time came for him to take it.

A Later Letter

From Mr. Ruby states that his son is now in perfect health, has no trouble from the humor, which is entirely cured. He has many inquiries about the recovery of the boy,

was so matted that combing was sometimes impossible. His earn became so thin that we could see through them, and were actually AFRAID THEY WOULD DEOF OFF.

His legs were so bad that sometimes he could not sit down, and it was impossible for him to run about and play like other children. Frequently when he tried to walk, his leg would crack open and the blood start from different places. The humor had a very offensive odor, and caused intense itching, so that at night we had to tie his hands in mittens or stockings to prevent his scratching and tearing himself. We cannot tell

A Later Letter

From Mr. Ruby states that his son is now in perfect health, has no trouble from the humor, which is entirely cured. He has many inquiries about the recovery of the boy, and advises all who suffer with such diseases to try Hood's Barsaparilla.

What Can be Added

To the above statement to make more emphatic the evidence of the cleansing effect of Hood's Barsaparilla upon the blood? It would seem to be the positive duty of all who suffer from any disease or affection caused by impure blood, to at least give Hood's Sarsap.

HOW THAT POOR BOY SUFFERED for nearly five years, nor how his terrible con dition distressed us. We did all we could to relieve him. Twoor three physicians agreed in calling it scrotulous humor, but did not effect a cure. We tried salves and ointments and other things but without benefit. At last decided to give him Hood's Sarsaparilla, as MY DRUGGIST RECOMMENDED IT.

In about two weeks the Sarsaparilla began to

impure blood, to at least give Hood's Sarsa-partila a fair trial. Its many wonderful cures have won for it the title of "the greatest blood purifier ever discovered."

"Among the few proprietary articles I recommend to customers Hood's Sarsaparilla is one in which I place every confidence. My patrons seem to have the same confidence, judging from its sale, which is more than all the other blood purifiers together." G. B. heard or read, to take Hood's Sarsaparilla, do not be induced to have any other.

Pretty Good for a Man of 86. The following is from Mr. John Bines, manufacturer of enameled dies, who has carried on business in Philadelphia since Oct. 0, 1850, and whose testimonial in favor of Hood's Sarasparilla is certainly worthy of consideration.

consideration.

"One year ago I was laid up sick with pneumonia for 16 weeks. When I got over that, my feet and legs swelled, were very much inflamed, and caused me much suffering. The doctor said I had gout, which I did not believe. I tried a number of cures, of no avail. Then some one saked me to try Hood's Sarsaparilla, I did so. I took it three times a day, before meals. Before I had taken one bottle I began to improve. I took in all five bottles, which cured me and made me feel well otherwise. I have had no return of the affection. Can walk ten miles every day, which is pretty good for a man 56 years old. I feel grateful for the good Hood's Sarsaparilla has done me, and have used my influence with a number of people to try it, and so far with satisfactory results." John Hinzs, so North 30th Street, Philadelphia, Fenn.

Cancerous Sore.

"About 7 years ago I had a cancegous sore on my nose, which grew to be very trouble-some and offensive. I concluded to try Hood's Sarsaparilla, and after using two bottles the sore disappeared and healed up entirely. It has been cured for two years with no appearance of its returning. I am now in my eightieth year and enjoying good health. I feel it my duty to recommend Hood's Sarsapa-rilla to all persons suffering from similar Confirmatory Statement.

"The above certificate is from Josiah Harvey, insurance agent, a gentleman well known throughout Westmoreland county. His statement in regard to the sore and cure

MERCURIAL RHEUMATISM. Mr. J. C. Jones, city marshal of Fulton, Ar kansas, writes: "About ten years ago I contracted a severe case of blood poison. The leading physicians of the city were called in, at they prescribed medicine after medicine, which I took without affording me any relief. I also tried mercurial and potash remedies, with the same unsuccessful result, but which brought on an attack of mercurial rheumatism that same unsuccessful result, but which brought on an attack of mercurial rheumatism that made my life one of untold agony. After suffering four months, I gave up all former remedies and commenced taking Swift's Specific (8, S. S.) After taking several bottles, I was entirely cured and able to resume work. I consider Swift's Specific (8, S. S.) the greatest medicine for blood poisoning to-day on the market."

INHERITED SCROFULA. Swift's Specific (8, 8, 8.) cured my little boy o hereditary scrofula, which broke out all over bis face. For a year he had suffered, and I had given up all hopes of his recovery, when at length I was induced to use 8, 8, 8. After using a few bottless he was entirely cured. Not a symptom now remains of the disease. This was three years ago.
