The Grumbler. Yes, there are people who live forever, outlive all their neighbors and grumble every day in the year. If they couldn't growl they'd die. Here is a picture of one of them:

Queer of feller! Allus groanin', Gruntin', whinin', sighin', mountn', Soon to glory he'll be strayin', Buttenholin' saints, an' sayin',

"Thankee,
I'm enj'yin' poor health now!"

Wherever Malaria Exists.

The billous are its certain pere. In intermittent and remittent fever, dumb ages and ague cake, the liver is always seriously affected, and the blood contaminates with bite. One of the chief reasons why Hostetter's Siomach Bitters is such a sure defense against chills and fever and every form of malarial disease, is, that it does away with liability to the disease, by reforming frregularity of the biliary organ in advance of the arrival of the senson when the disease is prevalent. There is no dner fortifying preparative for those about visiting or emigrating to a locality where the missma-taint exist. There is no certain immunity from disease in Wherever Malaria Exists, ing to a locality where the missma-taint exists. There is no certain immunity from disease in an endemic or epidemic form, to be secured by the use of the average tonics and anti-spasmodics. But where quinine fails the Bitters succeeds both in preventing and curing. Moreover, it removes every vestige of dyspepsia, and overcomes constipation, rheumatism, inactivity of the kidneys and bladder, and tranquilizes and strengthens the nervous system.

A Baptist Minister's Experience.

"I am a Baptist minister, and before I thought of being a clergyman I graduated in medicine, but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Electric Oil cared me. I was also troubled with hoarseness, and Thomas' Electric Oil relieved me. My wife and child had diphtheria, and Thomas' Electric Oil cured them, and if taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate coil or cough, and if any one will take a small teaspoon and had fill it with Oil, and then place the end of the spoon in one nostril and draw the Oil out of the spoon in the head, by sniffing as hard as they can, until the Oil fails into the throat, and practice it twice a week, I don't care how offensive their head may be, it will clean it out and cure their catarrh. For deafness and earache it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever felt like recommending, and an very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with pain like rheumalism in my right limb, and nothing relieves me like Thomas' Electric Oil." Dr. E. F. Crane, Corry, Pa. Sold in Lancaster by W. T. Hoch, 137 and 139 North Queen street. A Baptist Minister's Experience.

MERCURIAL RHEUMATISM.

Mr. J. C. Jones, city marshal of Fulton, Ar kansas, writes: "About ten years ago I contracted a severe case of blood poison. The leading physicians of the city were called in, and they prescribed medicine after medicine, which I took without affording me any relief. I also tried mercurial and potash remedies, with the same unsuccessful result, but which brought on an attack of mercurial rheumatism that made my life one of untold agony. After suffering four months, I gave up all former remedies and commenced taking Swift's Specific (8. S. S.) After taking several bottles, I was entirely cured and able to resume work. I consider Swift's Specific (8. S. S.) the greatest medicine for blood poisoning to-day on the market."

INHERITED SCROFULA.

Swift's Specific (8, 8, 8) cured my little boy o hereditary scrofula, which broke out all over his fice. For a year he had suffered, and I had given up all hopes of his recovery, when at length I was induced to use 8, 8, 8. After using a fit w bottles he was entirely cured. Not a symptom now remains of the disease. This was three years ago,
