SLOWER! SWEET JUNE.

Slower, sweet June,
Each step more slow,
Linger and loiter as you go;
Linger a little while to dream,
Or see yourself in yonder stream,
Fly not across the summer so?
Sweet June! Be slow.

Slower! Sweet June!
Oh! Slower yet!
It is so long since we have met,
So long ere we shall meet again,
Let the few days that still remain
Be longer, longer, as they flow,
Sweet June! Be slow.

Slower, sweet June,
And slower still,
Let all your matchless beauty thrill
My soul! Stretch out this day so bright,
Far, far along midsummer's height,
Till sunset back to sunrise glow.
Sweet June! Be slow!

Slower! Sweet June!
Yes! Wait awhile.
The meadow stars look up and smile
That you are here; the grasses bend
Their heads to greet their dearest friend
And say, "She taught us how to grow,"
Sweet June! Be slow.

Slower, sweet June!
Your footsteps bear
An echoing gladness everywhere,
The robin hears it in his nest
And answers, "June, dear June, is best."
The rippling brooks your presence know,
Sweet June! Be slow.

Slower! Sweet June!
Turn on your track
And send your fragrant blossoms back;
Give me one violet more, I pray,
One apple bloom, one lily spray.
Teach one more rosebud how to blow,
Sweet June! Be slow.

Slower! Sweet June!
Again I cry;
She does not stop to say good-bye,
But toward the north, or toward the south
She turns; I seek her rosy mouth
For one more kiss. I press the air
And know, alas! She is not there.

Deal Gently With the Stomach.

If it proves refractory, mild discipline is the thing to set it right. Not all the nauseous draughts and boluses ever invented can do half as much to remedy its disorders as a few wine-glass ulls—say, three a day- of Hostetter's Stomach Bitters, which will afford it speedy relief, and eventually banish every dyspeptic and bilious symptom. Sick headache, nervousness, sallowness of the complexion, fur upon the tongue, vertigo, and those many indescribable and disagreeable sensations caused by indigestion, are too often perpetuated by injudicious dosing. An immediate abandonment of such random and ill advised experiments should be the first step in the direction of a cure; the next step the use of this standard tonic alterative, which has received the highest medical sanction and won unprecedented popularity. je17to24

A Spring Medicine.

The druggists claim that people call daily for the new cure for constipation and sick headache, discovered by Dr. Silas Lane in the Rocky Mountains. It sells at 50 cents a pack age and is called Lane's Family Medicine. (1)

That Tired Feeling

You cannot always tell what may be its cause. Possibly it may be due to change of season, climate, or life; possibly to overwork or overstudy, to mental suffering, or nervous ailments. But there is no mistaking its effects. You know you feel "almost tired to death," without strength to do anything; ambition seems to be all gone, and in its place indifference to how the world wags—an indescribable languor and weakness. You have no appetite, do not care about food, and only eat because it is the hour for eating, or from force of habit.

This must be stopped. Your condition must be changed at once, or like a ship drifting with the inward tide, you will soon be dashed upon the rocks of incurable disease and death. Rouse the torpid kidneys and liver, tone the digestive organs, create a new appetite, purify and vitalize the impure and sluggish blood, cure the headache, and overcome all the prostrating effects of That Tired Feeling, by taking Hood's Sarsaparilla. It is just what you need, and to delay taking it is unwise.

"Since taking Hood's Sarsaparilla that extreme tired feeling has gone, my appetite returned, and it has toned me up generally." CLARA W. PHELPS, Shirley, Mass.

"My wife suffered from sick headache and neuralgia. After taking Hood's Sarsaparilla she was much relieved." W. R. BARR, Wilmington, O.

Every ingredient employed in producing Hood's Sarsaparilla is strictly pure, and is the best of its kind it is possible to buy. All the roots and herbs are carefully selected, personally examined, and only the best retained. All are ground in our own drug-mill, so that from the time of purchase until the medicine is prepared, everything is carefully watched with a view to attaining the best result.

"Every spring I take from three to five bottles of Hood's Sarsaparilla, because I know it purifies the blood and thoroughly cleanses the system of all impurities. That tired feeling will never visit the system that has been properly cared for by Hood's Sarsaparilla." W. H. LAWRENCE, Editor Agricultural Epitomist, Indianapolis, Ind.

"It is a pleasure to sell such goods as Hood's Sarsaparilla has proved to be." J. BROWN, Milton, Penn.

"My daughter had an abscess on her neck for five or six years, being all the time under care of physicians, without any perceptible relief. Hood's Sarsaparilla was then recommended to me for her, and it has entirely cured her." S. THOMPSON, Hazelwood, Pittsburgh, Penn.

"I highly recommend Hood's Sarsaparilla as the best remedy for sick headache. I have been selling this medicine 6 years and not one bottle proved unsatisfactory." F. J. FRICK, Frick's, Bucks Co., Penn.

Weak Women.

The more sensitive nature of the female renders women much more susceptible than men to those numerous ills which spring from lack of harmony in the system. Nervousness, sick headache and other ailments peculiar to women cause great suffering. Hood's Sarsaparilla is admirably adapted for such cases. It gives great nerve, mental, bodily and digestive strength, cures headache, indigestion, and creates an appetite.

"For nine years I was in a state of constant suffering, scarcely able at any time to walk about the house, and part of the time unable to be out of bed. By advice of local physicians I went to Philadelphia for treatment, which gave me relief for a time, but I was soon worse again and gave up hope of ever getting well. The physicians said I had a fibroid tumor. I began taking Hood's Sarsaparilla and its good effect was soon apparent. I began to improve in health, and continued taking the medicine till now I feel perfectly well, and can walk six or seven miles a day without feeling tired. I think Hood's Sarsaparilla is just the medicine for women and anyone who has bad blood." JENNIE E. SMITH, East Broad Top, Penn.

"I must say Hood's Sarsaparilla is the best medicine I ever used. Last spring I had no appetite, and the least work I did fatigued me ever so much. I began to take Hood's Sarsaparilla, and soon I felt as if I could do as much in a day as I had formerly done in a week. My appetite is voracious." MRS. M. V. BAYARD, Atlantic City, N. J.

Scrofula in Children.

"In the early part of 1887 scrofula appeared on the head of my little grandchild, then only 18 months old. Shortly after breaking out it spread rapidly all over her body. The scabs on the sores would peal off on the slightest touch, and the odor that would arise would make the atmosphere of the room sickening and unbearable. The disease next attacked the eyes and we feared she would lose her sight. Eminent physicians of the country were consulted, but could do nothing to relieve the little innocent, and gave it as their opinion, 'that the case was hopeless and impossible to save the child's eyesight.' It was then that we decided to try Swift's Specific (S. S. S.) That medicine at once made a speedy and complete cure. For more than a year past she has been as healthy as any child in the land."
MRS. RUTH BERKLEY, Selma, Kansas.

Cancer of the Nose.

In 1875 a sore appeared on my nose, and grew rapidly. As my father had cancer, and my husband died of it, I became alarmed and consulted my physician. His treatment did no good, and the sore grew larger and worse in every way, until I was persuaded to take S. S. S., and a few bottles cured me. This was after all the doctors and other medicines had failed. I have had no return of the cancer.
