A Matter of Interest to Travelers.

Tourists, emigrants and mariners find that Hostetter's Stomach Bitters is a medicinal safeguard against unhealthful influences, upon which they can implicitly rely, since it prevents the effects that an unhealthy climate, viliated atmosphere, unaccustomed on unwholesome diet, bad water, or other conditions unfavorable to heelth, would otherwise produce. On long voyages, or journeys by land in latitodes adjacent to the equator, it is especially useful as a preventive of the febrile complaints and disorders of the stomach, liver and bowels, which are apt to attack natives of the temperate zones sojourning or traveling in such regions, and is an excellent protection against the influence of extreme cold, sudden changes of temperature, exposure to damp or extreme fatigue. It not only prevents intermittent and remittent fever, and other diseases of a malarial type, but eradicates them, a fact which has been notorious for years past in North and South America, Mexico, the West Indies, Aurtralia and other countries. MCLANE'S LIVER PILLS.

THE GENUINE DR. C. McLANE'S -CELEBRATED-LIVER PILLS!

Intemperance a Disease

When the celebrated Dr. Rush declared that drunkenness was a disease, he enunciated a truth which the experience and observation of medical men is every day confirming. The many apparently insane excesses of those who indulge in the use of spirituous Higuors may thus be accounted for. The true cause of conduct, which is taken for infatuation, is very frequently a diseased state of the Liver. No organ in the human system when deranged, produces a more frightful catalogue of diseases And if, instead of applying remedies to the manifestations of the disease, as is too often the case physicians would prescribe with a view to the original cause, fewer deaths would result from diseases induced by a deranged state of the Liver. Three-fourths of the diseases enumerated under the head of Consumption have their seat in a diseased Liver. The genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bross., Pittaburg, Pa., are a sure cure.

Mr. Jonathan Houghman, of West Union, Park Co., Illinois, writes to the proprietors, Fleming Brothers, of Pittaburg, Pa., that he had suffered from a severe and protracted stack of ever and ague, and was completely restored to healthliby the use of the genuine Dr. C. McLane's Liver Pills alone. These Pills unquestionably possess great properties, and can be taken with decided advantage for many diseases requiring in vigorating remedies, but the Liver Pills stand pre-eminent as the means of restoring a disorganized liver to healthy action; hence the great celebrity they have attained.

Insist on having the genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bross., Pittaburg, Pa. All druggists keep them. Price Scents a box.
