The cause of the Diaz government, which are, is claimed, an evidence of Diaz's intentions very shortly of declaring himself dictator of Mexico. General Rojas, governor of Nuevo Leon heretofore not a very strong supporter of Diaz has been offered the portfolio of the minister of war, which has had the effect of quieting his discontent, and Governor Gesa Galan, of Coahuila, who has always been an avowed enemy of President Diaz, has been in the City of Mexico for the past several months, where it is claimed, he is being restrained by force almost amounting to imprisonment.

Result of Base Ball Games. The games of base ball played yesterday were as follows: Players League—Pittsburg 3, Philadelphia 2; New York 10, Buffalo 3; Boston 6, Cleveland 3; Chicago 22, Brooklyn 3.

National League—Philadelphia 7, Pittsburg 3; Chicago 5, New York 1; Brooklyn 12, Cleveland 6; Cincinnati 6, American Association—Athletic 7, Rochester 6; Syracuse 5, Brooklyn 5 (12 innings); Louisville-Tolito (min).

Adverse Letter. Harrisburg 2; York 14, Allentown 13 (11 innings); Lebanon 9, Easton 2.

The Harrisburg club was defeated easily in Allentown yesterday. Harrisburg left the team were scheduled to play three straight games Harrisburg left for home immediately after the game. They claim they could not get hotel accommodations at their taste and refused to stay the three days. They were offered quarters in several houses, but notwithstanding departed for the city.

There has been quite a racket in the Lebanon ball club. Manager Rigby was released because the owner of the team did not think he was fit for the position and had no control over the players. Matthews, a pitcher, was also released. Jacoby, second baseman, Knoff, pitcher, and Hassner, holder, were also released. Knoff, pitcher, and Hassner, were the Dutchmen in the pitching of Knoff that they made him manager of the team, although he has never had a team in charge.

In this line. He is the young man who was batted all over the Middle States League last year.

The manager of the Ironides club says that he will not play the Active because his men do not like the Active players. That would be a good reason for making a name, as there would be a strong rivalry. The Active is much the stronger of the two teams, however.

ST. MARY'S ACADEMY. The Premiums Awarded to Deserving Pupils This Morning.

The school term of St. Mary's academy closed this morning. The various classes were given their prizes for the various exercises were omitted and there were none present but the instructors and pupils when the following award of premiums was made:

The first prize in the senior "A" class was awarded to Miss Ellie Lowell; in the senior "B" class, to Miss Alice H. Haberbusch; in the senior "C" class, to Miss Adeline Long; in the intermediate "A" class, to Master Hugh McGarran; in the intermediate "B" class, to Miss Regina Lowell; in the intermediate "C" class, to Miss Grace McGarran.

The second prize in the senior "A" class was awarded to Miss Lucretia Warren; in the preparatory "B" to Miss Mary Long; in the intermediate "A" to Miss Ruby Dougherty; in the intermediate "B", to Miss Carrie McConomy.

Special prizes were given to Miss Ellie Lowell for arithmetic and drawing; to Master Hugh McGarran for United States history; to Misses Lant and Ruby Dougherty for drawing; to Miss Mary Malone for Christian doctrine; to Master Augustus Zoch for music.

The special prize for good conduct was awarded to Miss Alice H. Haberbusch. The academy will be opened for the fall term in September, with good prospects for another successful year.

The Indian Outbreak. The following extract from a private letter of a cavalry officer explains the rumors of Indian trouble in the West. "The Indians in the Fort Assiniboine, Mont., June 20, '90.—During the past two weeks Montana has been surprised in way. We have had rains exactly like you have in the East, and more water has fallen than I believed possible in this climate.

Everything is looking green and this will be a good year for grass, though the moisture may have come too late for the vegetables.

The settlers tried to get up an Indian scare about the Cheyennes below Custer, but there is nothing of the kind. They went down from Custer and Keogh, but found nothing serious.

The Indians are said to be starving down there and may have killed a few cattle. They did murder a man or two, but immediately delivered the murderers up for trial.

One cause of their dissatisfaction is the fact that beef is issued only every two weeks. Mr. Lo is imprudent and eats up his supply as soon as possible; then when he is hungry, he eats of the but and when the game is gone he kills a stray steer.

There is no much prospect of any variety for us this summer. The secretary of war says there is no money to concentrate troops for summer manoeuvres and that post commanders will have to confine themselves to such movements as they can carry out with the transportation available at the posts.

The Young Republicans' Ball. The ball of the Young Republicans at the opera house last evening was by no means the success that it was expected to be. The principal reason of this was that a great many of the members of the organization were in Harrisburg attending the convention and could not get here in time. There seemed to have been very bad management in making the arrangements of the convention, and that fact was fully realized last night. There were about one hundred and fifty ladies and gentlemen present during the evening, and they enjoyed themselves dancing to the music of Taylor's orchestra. It was thought at the start that there would be a big crowd at the ball, which would help the loan exhibition out financially, but it will keep the club very busy to make a cent of money after all their hard work and bother.

Sent To The Hospital. Edward L. Tomlin, a young man residing in the western part of town, was sent to the county hospital by Mayor Clark today. He has been suffering from an over-indulgence of liquor and has something like mania. He created much excitement in his neighborhood, night before last and this morning he was found in Centre square running about in his bare feet. When taken to the station house he injured himself and was sent to the hospital. He was committed to the hospital at his own request.

Two Neighbors Fight. George Krueger and John Sheriff had a fight yesterday, and the latter has sued the former for assault and battery, surety of the peace and drunken and disorderly conduct. The accused gave bail for a hearing before Alderman A. F. Dounely.

A little girl reading in the presence of each of her eight children of a brick house as a new year's gift.

The surviving children are Mary, wife of Otto Puchler, Henry, wife of Carolus, wife of Christian Hoebel, Kate, wife of Charles Weitz, Elizabeth, wife of John Wanner, and Misses Emma and Sophia, at home.

Her husband had died the day before last, and she was on her knees at 5 o'clock.

SHORT LOCALS. Alderman Halbach is out of town. With Water Superintendent Freilay and Councilman Rittner he went to Harrisburg to assist Water Commissioner Mather, of that place, to select a governor.

A dog was bitten by a dog last evening. The dog was afterwards killed. There is complaint that a great many biting dogs are at large in the western part, and the mayor calls the attention of the owners to the city ordinance on the subject.

Mr. and Mrs. James J. McEnnes and two children of Louisville, Kentucky, are in town on a visit. Mrs. McEnnes is a sister of Alderman Deitell and has not been here for thirteen years. Her husband, before going West, was an engineer on the Reading railroad.

Philip Hanco, who threatened to kill Charles M. Craig, of Breman's company, was arrested on the way of the constable who had the warrant for his arrest, was captured on Tuesday evening by Constable Meringer. In default of bail he was committed for hearing by Alderman Barr.

The Champion Men's City. Harrisburg is keeping up its old reputation of treating visitors meaner than any town in the state. It manages to get more gatherings than any other place, but the hotel and restaurant men, shop owners and others are always ready to take advantage of everybody. At the present convention there is much complaint about the excessive prices of the old timer, who has attended many conventions, became disgusted with Harrisburg and left last evening. On the way down to Lancaster he said to a companion, "I never feel safe in that town, for I feel sure that they would steal one's clothes if they could."

The State Meeting. The thirty-sixth annual meeting of the State Teachers' association will be held in Concert hall, March Chunk, on July 31, 8th and 10th inst. J. E. Meigs, secretary of the association, and Prof. Brecht, one of the executive committee, Lancaster county teachers will participate in discussions, &c.

He Wants Darkness. There is a gasoline lamp at the corner of West Middle street and Arch Alley, and there is complaint that each night, between 10 and 11 o'clock, the light is turned out by some young man. It is the same fellow every night, and he is to be arrested if he repeats the offense. There is a penalty of \$10 fine for committing that act.

Stricken With Apoplexy. Mr. Don J. Bryan, living near New Haven, was stricken with apoplexy shortly after he arose this morning. He is in his 84th year. Dr. E. H. Winter, the attending physician, has slight hopes of his recovery.

Here On a Visit. Walter Snyder, C. Seabright, C. McVulley, Robert Snyder, Prof. Jno. Weise, and John Wolf, John Althouse, Abraham Hillard and Wm. Manly, employees of the Hampton Watch company, Canton, Ohio, arrived in Lancaster on Tuesday. They are former Lancasterians, and will return to Canton after the fourth of July.

On the Pension Rolls. Pensions have been granted to John W. Peifer, Ephrata, and Wm. H. Metz, Fairfield.

Made an Assignment. Wm. T. Clark, farmer, of Drumore township, made an assignment to-day for the benefit of creditors, to John A. Clark, city.

A Hot Weather Lord. John H. Hanly, a stranger, was found at the stock yards and drunk that he could not walk by Constable Shubrooks. He was committed for 18 hours by Alderman Deen.

A Long Drive. Dr. J. E. Baker, with his wife and little son started this morning to drive to Rehoboth Beach, where they will spend the summer. They went by way of Quarryville and Oxford.
