TWO FAMILIES IN DANGER.

THEY ARE AROUSED FROM SLEEP WHILE THEIR HOUSES ARE BURNING.

Mrs. Hall and Her Son Make a Very Narrow Escape-A. J. Huffnagle Also Given Timely Ald By Neighborn.

There was quite a destructive fire in th northwestern part of the city at an early bour this morning, and fireworks undoubtedly was the cause of it. It was about one o'clock when flames were seen issuing o'clock when fiames were seen issuing from the frame back building of the house of Mrs. Ghristianz Hall, a widow, at No.314 story brick, and is one of a row of four, all West Walnut street. The house is a oneof which are alike and have frame back buildings. The fire was first seen by Geo. Lefever, of Mulberry street, and he raised an alarm. Charles King and William Elias. who live near, were awakened, and when they arose they saw what was wrong. They soon found that the Hall fam-lly, which consists of Mrs. Hall her son Harry, were yet in their beds. The young men quickly awak-and them, and they were assisted from the house in time to prevent them-selves from being burned to death or suffocated. The house was already filled with thick, black and stiding smoke, Next to Mrs. Hall lives A. J. Huffnagle. He and his family were also in bed when the are began traveling towards them, and li was with great difficulty they were gotten out before it was too late.

An alarm of fire was struck from box 25 at Mulberry and Chestnut streets, and the firemen quickly responded. The fire was very stubborn and as it was under the roof an hour or more clapsed before it could be cupying the different houses had of the neighborhood went to work with willing hands to remove the furniture and other household goods. Mrs. Hall's house was a very bad wreck. The back building was almost entirely consumed and only the front part of the roof, which was of shingle, remains. The furniture, with the exception of that which was in the back building, was saved. That which was burned consisted of a mahogany sideboard, tables, chairs, cupboard, etc. Mrs. Hall did not have a cent of insurance on her house or contents, and her loss will reach at least \$-00. She had it insured at one time, but the policy expired and was not renewed.

The house occupied by Huffnagle is owned by his mother-in-law, Mrs. Barbars Herzog. The damage to it is almost as great as to Mrs. Hall's. The back building is larger and it is more than half burned away. The roof is burned entirely off in the back. Both houses were saturated with water. Mrs. Herzog has an insurance of \$600 in a company which is represented by Aug. Reincehl. Next door to Huffnage, on the west, live Miss Jennie McComsey and her sister. The roof of their bouse was partlyburned off and it was also well water scaked. The house is owned by John Kautz, who has an insurance. Next to the es McComsey lives Mrs. Weishample who keeps a little store. She suffered some from water. There was a great deal of shooting of fire

works in the neighborhood of these houses evening, and it is supposed that spark from them caused the fire. AN ACCIDENT ON THE RAIL.

Ex-Commissioner Henry F. Hartman' Son Killed at Witmer Station.

Christian, son of ex-County Commissioner Henry F. Hartman, of East Lam-peter, died this morning at 8 o'clock from injuries received on Friday evening. He lived with his father, about a mile north of Witmer Station, and on the afternoon of the Fourth left his home and took the cars at Witmer Station for Lancaster. He was in the city until the evening train left, or which he went home, arriving at Witmer's at 8 o'clock or shortly afterwards. Here he is supposed to have gotten off the train, but no one has yet been found who knows exactly. The facts will likely be brought out at the coroner's inquest.

Young Hartman was not seen again for half an hour, at which time Christian Musselman, living near the station, heard a man groan. He walked to the railroad tracks and found Hartman between the tracks with one leg crushed and cuts on his head. He was removed to a house in the neighborhood, and Dr. Harry Musser was summoned. This physician made an examination of the injured man and pronounced him fatally injured. He lingered until 8 o'clock this morning, when he expired. The injured man was unconscious when found and never recovered conscious

It is not known how the accident happened, but the supposition is that he was struck by a freight train that passed shortly after the arrival of the train on which he

Deceased was about 23 years of age and a single man. He worked at his father's lime kiln and was well known in this city and the eastern section of the county. He was an active Democrat and a valuable assistant to his father in polling the Democratic vote of the district. Coroner Honaman was notified and he

went to Witmer Station this afternoon to Disappearance of a Cigar Manufacturer.

John M. Shoemaker, eigar manufacturer at Manheim, absconded on Wednesday night and left a number of unpaid bills as a legacy. He was connected with the Knights of the Golden Eagle and American Mechanics organizations, and was secretary of the Mechanics until last Monday, when he resigned. Up to the time or the death of his wife, less than a year agohe prospered. Since then he has become dissipated and neglected his business Prior to his departure he transferred all his effects to his employes in payment of what he owed them. Converted into cash they will pay about 50 per cent. of their claims.

Rule to Stay Proceedings. Judge Livingston in chambers to-day tranted a rule to show cause to strike off seeding in forfeited recognizance in which A. G. Speidel is defendant and stay dings. The rule is made returnable on July 21. Speidel was under bail to appear in court to answer a charge of em-bearlement. He failed to appear and his ognizance was forfeited. His bail now recognizance was formened.

for legal reasons asks a stay on the suit dready brought against him to recover the mount of the recognizance.

Trial Trip of the " Lady Gay." John B. Peoples' new steamboat for the Conestoga made a successful trial trip late ou the afternoon of the Fourth. mechanics employed worked from early morn to complete it in time for a trip be ore the 4th had passed, and they finished their labors sufficiently to allow the trip to be made about 5 o'clock in the afternoon, The boat went from near Potts' as far as the dam at the water works and there the finishing touches will be put on it. In a lew days it will be in running order for passenger travel and a wharf built near the bridge. The boat on the trial trip drew en luches of water. It is of good size and will be in demand. The boat was christened the "Lady Gay" by Miss Sallie Mand Sides.

Wrot. Hass and the Liederkraus. In our account of the siengerfest no In our account of the sangerfest no mention was made of the connection of Prof. F. W. Hass with the Lancaster Liederkranz. He was the able and efficient leader and conductor of the society for the period of eight years, during which time to was very successful in his efforts for the cultivation of singing. THE SCHOOL BOARD.

Proceedings of the Regular Monthly Meeting Held Thursday Evening. The July meeting of the school board was held on Thursday evening.

Mr. McKillips reported that the school buildings had been examined. The wood work of the New street building painting and the inside of the high school requires either painting, kalsomining or papering. The committee is of opinion that papering is the cheapest and recom-mend a plain paper of light shalls for all the rooms, with the vestibules and balls

The following figures show the number of tons of coal consumed in the school buildings for the school term ending June 0: Manor street, 4 rooms, 25 tons; Rockland street, 4, 34; South Prince street, 4, 16; West Walnut street, 4, 20; West James street, 4, 25; Ann street, 4, 50; New street, 4, 30; East Lemon street, 12, 80; Chestnut and Prince street, 4, 30; African, 1, 5; South Duke street, old buildings, 60; South Mul-berry street, old buildings, 50; high school building 45; West Chestnut street, new

These 64 tons were consumed since the first of January. At this rate it would require 120 tons during the school term of each year. This system of heating is ontirely new. It requires time and experience to reduce it to about one-half, say 60 tons. There is no room to reduce this quantity of coal used, and at the same time to have the rooms comfortably hes cities pea or bituminous coal is used, and the committee favor the use of pea coal. proper instructions, and explicit orders how to use it so as to reduce the quantity and at the same time to heat the room

The committee also reported that the Rockland street school yard is too small, and that 60 feet of ground adjoining can be

bought at \$10 per foot.
On motion of Mr. McComsey the committee was authorized to make all neces-

Dr. Bolenius reported that Myers' General History had been agreed upon for use in the girls' high school.

Dr. Wickersham, of the special committee on new buildings, reported that the subcommittee on heat and ventilation had visited several schools in Camden, where the Smead-Wills avstem is in use and the result of their investigations would be incorporated in the final report. CITY SUPERINTENDENT'S REPORT.

Following is the report of the city superintendent for June :

"Your city superintendent submits the following report of the public schools for the month of June : The number of pupils in attendance was 255 in the high schools, 333 in the grammar, 577 in the secondary, 38 in the ungraded, 811 in the intermediate, 1,552 in the primary. Total, 3,596. The average number in attendance was 243 in the high schools, 310 in the grammar, 523 in the secondary, 30 in the ungraded, 735 in the intermediate, and 1,277 in the primary. Total, 3,018. The average percentage of attendance was 87. The number of pupils present every day was 1,243. The number of visits made by the city superintendent were 90. Directors visited the schools as follows: Geo. N. Reynolds, 28; Wm. Johnson, 21; Dr. O. Roland, 12; H. Wolf, 11 ; H. R. Breneman, 10 ; Wm. McComsey, 10; J. McKillips, 5; H. A. Schroyer, 2; W. O. Marshall, 2; W. Wohlsen, 1; C. Lippold, 1; J. B. Warfel, 1. Total, 104." Mr. Warfel offered the following, which was unanimously adopted:

Resolved, That the finance committee be directed to report at the next stated meeting of the schoel board a plan of keeping the accounts, by which the expenses for repairs and fuel may be exhibited at any time for each school building.

Mr. Schroyer recommended the opening of the night schools on the 8th of Septem ber and that last year's teachers be elected

DEATH OF BENJ. CHAMPNEYS. For 31 Years He Was Connected With

the Lancaster County Bank. Benjamin Champneys, a well known and highly respected citizen, died suddenly at his residence No. 37 East Orange street late on Thursday afternoon. He had complained for a few days of a pain in the region of the heart, but nothing serious was apprehended. He was about the house as usual on Thursday and died in a few minutes after an attack of heart disease

Deceased was a native of Lancaster, and was born on June 28, 1828. His father was one of the prominent men in the commonwealth in his day, having been judge of the Lancaster courts in 1839, state senator in 1842 and attorney general of the commonvealth, by appointment of Governor Shunk.

The subject of this obituary notice chose business for an occupation and in 1849 was appointed to a clerkship in the Lancaster County National bank. He remained in this institution, being advanced from time to time until he became a teller. He held that position in 1880, when he retired. Since then he has not been in active business.

Mr. Champneys was devoted to books and thoroughly familiar with the best of literature. A polished gentleman and uniformly courteous in demeanor he was highly esteemed by those who knew him, and although failing sight and a sensitive disposition made him something of a re cluse, his erect familiar figure passing along the street will be missed by many. He leaves to survive him two sisters, Mrs. Elizabeth, wife of Wm. Aug. Altee. Miss Annie and one brother, Edward Champney's. His funeral took place this

afternoon at 3 o'clock. The pall-bearers were Chas. J. Swarr. Dr. H. B. Parry, Henry E. Slaymaker and E. P. Brinton. Rev. Dr. Mitchell conducted the services and the interment was

made at Woodward Hill cemetery. DEATH OF SAMUEL MOORE.

One of the Lower End's Oldest Citizens

Passes Away.
RAWLINSVILLE, Pa., July 4.—Samuel
Moore, father of Mrs. John Hart, of this village, and father of D. M. Moore, formerly of the Swan hotel, Lancaster, died at the home of Albert Thomas, yesterday, at the age of 88 years. His interment will take place at the Rawlinsville burial ground to-morrow.

Wilton Wike and John Strine, of Columbia, spent the week at their farms near

The Fourth was not celebrated in this village as has been usual for some years. Rawlinsville Democratic society swung to the breeze their beautiful flag and there were hearty cheers for the stars and stripes. In the evening "Young America" made quite a big noise with crackers, Roman candles, &c.

There was a display of fireworks and a picnic in the grove near Union hotel this evening. The attendance was large. Matthias Shirk, one of the oldest residents of Martic township, is critically ill at his home here.

Maris Reese, of Martie township, has a turkey hen, not yet ten months old, which has laid 71 eggs.

Miss Lizzie Shirk, of Rawlinsville, has a

geranium of the "Princess" variety which has 41 bunches of bloom. A. H. Breneman, of Philadelphia, is vis-

iting his former home here. The farmers are complaining of a want of hands to get their harvest away, and in some places are offering as much as \$2 per day for help.

A Child Run Over.

This morning a little child of Lewis Walker, of No. 211 North Mulberry street, attempted to cross the street in front of agnow's bakery wagon. It fell in front of the animal, but he stepped very carefully over the child and did not touch it with his hoofs. The wheels struck the little one, however, cutting and bruising it quite badly about the head, face and leg. COLUMBIA'S BIG FIRE

The Flint Mill In That Borough Burned On Thursday Night. At an early hour on Thursday evening, the flint mill in Columbia, which was owned by F. S. Bietz, and operated by a company, was destroyed by fire. The building was of brick and frame, and was 60 by 126 fest in size. The flames made great headway, and it was impossible to check them until it was entirely de-stroyed. The firemen did good work in saving adjoining property, however. Shu-man's large flour mill and several dwelling houses were on fire at times, but the flames were extinguished before any great damage was done. The Acme oil works are in the same neighborhood, but they were not in danger at any time, as the wind was not blowing in the direction. The mill was running when the fire

broke out, and spread so rapidly that it was impossible to turn off the machinery. Above the roaring of the flames could be heard the rumbling noise of the machinery, and as the frame work fell away it could be seen working.

The flint mill had been doing an extensive business and they were kept so busy filling orders that they were obliged to

work both night and day at times. The loss is estimated at \$20,000, and the insurance will only cover it partially. The fire was caused by the machinery becoming heated. The building was insured for \$2,000. Policies for \$3,000 expired on July 2d and were not renewed. The company of \$8,000. The buildings and contents are totally destroyed, nothing being left but the walls of the first story.

Henry Seiple fell down a forty-foot embankment while running to the fire, and out a terrible gash in his head. He is able to be about this morning. Frank Rote horn fell into the mill race near the fire, and was severely bruised.

LIMITED LOCALS. The pension of Philip Myers, Lancaster, has been increased.

Miss Annie M. Irvin, of Curwinsville, Pa., has been spending some time with Mrs. A. E. Irvin, of East King street. H. M. Houser, attorney for J. Frank Reist, issued a writ of replevin to-day for laundry machinery in the possession of A. C. Hershock. It is valued at \$500, and

The directors of the Lancaster Crematory and Funeral Reform association have elected the following officers: President, D. G. Eshleman ; vice presidents, J. Max Hark and W. U. Hensel; recording secretary, J. D. Pyott; corresponding secretary, H. C. Brubaker; treasurer, W. A. Hein-

ball in double the sum is demanded.

Officers Wash Pyle and Gilbert arrested George Whitman, John Gallagher, John Shaffner and Michael Kelly on Thursday night for train riding. Alderman Deen gave all except Shaffner ten days in jail. Shaffner is a Lancasterman, and he paid the

C. W. Wilson, of York, superintendent of the Prudential Insurance company, well known in Lancaster, in endeavoring to jump on a moving train, yesterday, fell and one foot was caught by the wheel and crushed against the rail. He will be disabled for some time.

Among the passengers on board the mail train west at 9:31 this morning were a number of Philadelphia court officers who had eighteen young prisoners in charge They were taking them to the Huntingdor reformatory. John Cresswell, a son of William Cress-

well, who is employed in the Lancaster caramel factory, had his hand caught in the machine on Thursday afternoon. He had the end of one thumb almost cut entirely off, and a foretinger cut to the bone. Dr. George P. King attended him.
In honor of the admission of Idaho as a

new state, Johnny Martin, of the Relay house, yesterday added an additional star to the flags that he hung out. These were probably the only flags in town that had Henry Nolty issued a writ of replevin

for a buggy in the possession of Uriah Bitzer to-day, and the sheriff put Mr. Nolty

Thrushed His Boarder. A German known as Wilhelm, employed

at Groetzinger's tannery, was injured last evening by Wm. Nagle, of No. 627 South Queen street. He boarded at Nagle's and on Friday evening went home drunk. He assaulted Mr. Nagle, and in self-defence Nagle used a hatchet on his assailant and used him up badly. Wilhelm is able to be about to-day, but feels sore as a result of the thrashing he received.

Trinity Lutheran Church Excursion To Reading, Mineral Springs Park and Mt. Penn Gravity railroad on Thursday, July 10th. Train leaves Quarryville at 6:50 a. m.; fe Lancaster (King St.), 7:40 a. m. Leave Colum-bia at 7:35 a. m.; fare, \$1.50. Landisville, 8 a. m.; fare, \$1.50. Manhelm, 8:21 a. m.; fare, \$1.20. Littiz, 8:32 a. m.; fare, \$1. Ephrata, 8:33 a. m.; fare, 90 cents.
