An Organ Of the Canadian Government Praises Salisbury For Demanding English Rights in Behring Sea.

DETERMINED POSITION.

Toronto, July 24. The Empire, the hief government organ, to-day says: "The iplomatic correspondence on the Behring sa question, presented to the United States House of Representatives on Wednesday, will be read with interest, though it really contains very little that is new or that might not have been anticipated, at least in the main outlines. That Lord Salisbury staunchly maintained the rights of British abjects, including Canadians, is proved beyond question. Secretary Blaine's course is not surprising. His contentions craftly avoid the main point that the seizures were contrary to international law as being out-side territorial waters and United States jurisdiction. All his legends about Russian rights acquired, his complaints of injury done to United States interests and his claim to insist upon the preservation of seals even if as well founded as they are naccurate would be quite beside the mark, for no amount of wrongdoing or loss would ustify interference outside the jurisdiction. He might as well assume to send his police to Toronto to make arrests and seizures, use some citizens of the United States had been robbed. The cessation of these high-handed outrages is not due to any neighborly feeling of fair play or any respect for law and rights of others, but to recognition of the fact that the end of British patience and forbearance had been

BITTEN BY HIS DOG.

A Son of George Smith Severely Injured by the Brute.

COLUMBIA, July 24.- A young son of George Smith, living on Locust street, was severely bitten by a dog belonging to the family yesterday. He was bitten in the face, which is badly swollen. The dog has een given to the dog catchers.

Two boys, one by the name of Leaman,

living in this place, had a narrow es-cape from receiving serious and per-haps fatal injuries last night on the Reading & Columbia railroad. The boys are about sixteen years of age, and boarded the eight o'clock passenger train on the Fourth street crossing. John Wilson, trainmaster, also got on board the train at that point to ride to the station. The boys saw Mr. Wilson, and misunderstanding his motive for getting on the train, started to jump off. One of the boys succeeded and fortunately in his tumble rolled away from the wheels. Mr. Wilson, who is over six feet tall and of powerful build, caught hold of the other boy just as he was leaving the step. To leave go of im would put the boy's life in peril and the train master held on to him. The young fellow was swinging between the outer ends of the bumpers with his feet dangling near the top of the rails. He finally was pulled to the platform without receiving ony injury.

The excursion of the Brotherhood of St. Andrew to Penryn park to-day has been postponed on account of the rain.

There are a large number of disappointed people in town to-day on account of the rain causing a postponement of the excur-sion to Mount Gretna. If the weather is favorable the excursion will be run to-Miss Essie Affenbach, of Philadelphia,

and Miss Mamie Groff, of Lancaster, are visiting Mrs. George Smith. George Zerger, calter of the P. R. R., is

off duty on account of sickness. Wilson caught a five and one-half pounds salmon yesterday. It is one of the biggest fishes caught about here this son-

Pickering's Team Surrendered.

Officer Jefferis, of West Chester, and County Detective George E. Jones were in with the Pickering arrest. They brought with them an order from District Attorney Baldwin, of West Chester, on Chief Borger for the team abandoned by Pickering. Chief Borger consulted District Attorney Reincehl and this official thought it was the proper thing for the chief to turn over the property, as it was not stolen in this

county. It was done and the West Chester officials paid the expense of the keep of the horse since Pickering brought it to this vicinity. The West Chester officers say that they bave an owner for the wagon, a Mr. Me-Falls. The owner of the horse is not known, but through it they expect to be able to fasten a charge of horse stealing on

Pickering, who traded the horse stolen for the one he left here. Croager, the accomplice of Pickering, is still in the Westminster jail. The officers

have testimony to convict him of a horse theft in this county. The Presbyterian Memorial Piente. There was a large attendance at the picnic of the Presbyterian Memorial Sunday ool, held at Penryn Park, yesterday, and the agreable weather and excellent pro-

gramme of sports prepared by the com-mittee in charge made the day a very pleasant one. A watermelon eating match created a great deal of amusement. It was won by a darkey bootblack after an exciting contest. In the evening a boat race on the lake came off, in which there were seven contestants. Jacob Stauffer was the victor, and after the excursionists had assembled at the station District Attorney Reinœhl, in a humorous speech, presented bim with the champion cup and belt. Dr. B. F.W. Urban responded for Mr. Stanffer.

Their Team Stolen.

On Tuesday evening Harry Shirk and John Halligan, both of Ephrata, attended a woods meeting at Terre Hill, and when they wanted to go home their team was missing. They had the horse tied at the school house. Wednesday morning they found the horse in the shed at Hinkletown. The horse was caught by Mr. Reidenbach and tied in front of his store in the morning, and taken from there to Hinkletown, where the team was known and the horse unhitched. By all appearances the animal was driven far, as he was very tired.

Base Ball at Penryn.

A game of base ball was played at Penryn park yesterday between the Conestoga and Cross Cut nines, of this city, which re-sulted in a score of 34 to 4, in favor of the former. Doebler and Erisman did the battery work for the former, while Ehler and Sing filled the same positions for the latter.

A game was also played in the afternoon between the Snowflakes and the Nine Stars, which resulted in a score of 15 to 13, in favor of the former. Poist and Stauffer were the battery for the former, and Potts and Lawrence for the latter.

A Miliersville Graduate. On Wednesday the public school board of West Chester, Pa., elected Professor Charles Yardley, of Sandy Hill, N. Y., superintendent of public schools, in place of Professor Slocum, of Haverford, doclined. The new official is a graduate of the Millersville State Normal school, and he will enter upon his new position at the opening of the fall school term in Septem-ber.

Prosecutions Withdrawn. The suits of assault and battery, surety of the peace and drunkenness and disor-derly conduct preferred by George Faust and Louisa Hooper against Christian Miller and Mary Miller, at Alderman Barr's, have been withdrawn and the costa 1 aid.

Well Filled With Clothing.
The trunk of James F. Ward, the Englishman killed on the railroad, was opened at the station house last night by Sergeant Broome. It was found to be well filled with clothing. The sergeant will probably dispose of the effects by auction to pay the opening a propers. uneral expenses.
