

IT IS WELL WE CANNOT SEE. When another life is added to the living, lamp and man; When another breath of being stains creation's tarlished glass; When the first cry, weak and pitious, heralds the newborn's life; And a soul from non-existence Springs, that never can die again; When the mother's passionate welcome Screech-like, bursts from her tears, And a sire's elation Proclaims of future years, It is well we cannot see...

HOOD'S SARSAPARILLA. Get the Best. Is a good motto to follow in buying a medicine, as well as in everything else. By the universal satisfaction it has given, and by the many remarkable cures it has accomplished, Hood's Sarsaparilla has proven itself unequalled for building up and straightening the system, and for all diseases arising from impure or poisoned blood, or from the impure blood. Do not experiment with untried or untried articles which you are told to "use as good as Hood's," but be sure to get the best.
