

E. W. HUTTER, EDITOR.

FOR PRESIDENT, JAMES BUCHANAN OF PENNSYLVANIA.

FOR CANAL COMMISSIONER, ISRAEL PAINTER, OF WESTMORELAND COUNTY.

Lancaster, March 7, 1848.

Appointments by the Governor. James McDavitt, do Associate Judge, Adams.

Tavern Licenses. Hotel-keepers, who advertise in this paper, will please bear in mind, that the paper issued on the 20th instant will be the last one, in which their notices can receive the first insertion, in time for compliance with the requirements of law.

Democracy State Convention. The proceedings of the Democratic State Convention, as far as received, will be found in our paper of today.

Another voice from the Battlefield. Captain GEORGE NACMAN, for many years in the regular service, and one of the most gallant of all the actors in the late battle, writes home to his friends in Lancaster, (his birth-place), as follows:

Mr. Clay and the Presidency. A late number of the National Intelligencer says: "We have seen it stated in the New York and other papers, as if from some authority, that Mr. CLAY has positively declined consenting to the use of his name as a candidate for the Presidency, and would, in a few days, under the same circumstances, have declined to do so."

Alabama. The Democrats of this State have chosen twenty-three delegates to the Baltimore Convention—two Senators and three from each Congressional District.

Gen. Buchanan in Missouri. The able organ of the Democracy of Missouri, the Jefferson Engineer, uses the following language in reference to Mr. BUCHANAN:

Kentucky Federal Convention. At length we have it officially stated, that the Federal State Convention of Kentucky did not nominate Taylor for the Presidency, but we are led to infer, from a perusal of the proceedings, that it did not nominate CLAY.

Delaware. The Democrats of this State have agreed to meet in State Convention, for the purpose of nominating delegates to the National Convention, and adopting an electoral ticket on the 2d Tuesday of May next.

Succession of Presidents. The Union furnishes some interesting facts in regard to the succession of Presidents. The constitution has been in operation from the 3d of March, 1789, of which we have had eleven Presidents.

It seems to me that the whig leaders are guilty of the worst kind of treason.—Capt. Charles Taylor.

Economy of Advertising.

The general impression in many sections of the country as to the importance of advertising, is entirely erroneous, in every way, beyond a doubt.

Leap Year and Ladies' Privilege. Have our readers kept in mind the fact, that this is Leap Year, that epoch in chronology so important to the interests of unmarried ladies, and not less so to unmarried gentlemen—For, what interest is one who is not to be married, unless he has the sole privilege of making love, which the gentlemen may not refuse, under the most severe penalties.
