Dr. Townsond—Dear Sir; 1 had two children cured by your Sursaparilla of summer complaint and dysentery; one was only 15 months old and the other three years. They were much reduced, and we expected they would die; they were given up-by two respectable physicians. When the doctor informed us that we must lose them, we resolved to try your Sarsaparilla which we heard so much of but had little confidence, there being so much stuff advertised that is worthless; but we are very thankful that we did, for it undoubtedly saved the lives of both. I write this that others may be indu-
