Medicine.

The great beauty and superiority of this Sarsaparilla over all other remedies is, while it eradicates disease, it invigorates the body. Consumption cored. It cleanses and strengthens. Consumption can be cured. Bonchitis, consumption, liver complaint, colds, coughs, catarrh, asthma, spitting of blood, soreness in the chest, hectic flush, night sweats, difficult or profuse expectoration and pain in the side, &c., have and can be cured. side, &c., have and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of consumption as this; it cleaness and strengthens the system; and appears to heal the ulcers on the lungs, and the patients gradually regain their usual health & strength.

THIS Vermifuge is, without the least shadow of doubt, the best, safeat and most efficacious remedy at present in use, for the immediate expulsion of every species of worms from the human body. Years of experience have proved its superiority over every other medicine.

UNPARALLELED IMPOSITION & EFFRONTERY!!!

An individual named S. Fahnestock has repeatedly asserted that the article which he calls "Dr. S. Fahnestocks Vermifuge" is the same or equal to the Vermifuge prepared by me.

The public are assured that this is a base falsehood, and are hereby cautioned against confounding the spurious article with mine. It is entirely different in its composition, and does not possess the virtues and powers of my preparation.

Dear Sir:—I have been a Dyspepus sufferer for about ten years, and have resorted to various medicines for relief without success, until I made use of your "Oxygenated Bitters." I have used about two bottles, and find myself restored to perfect self, in my case, were, great acidity of the stomach, loss of appetite, extreme flatulence, severe constipation of the bowels, and violent headache. Feeling desirous that a knowledge of your valuable remedy may reach others similarly afflicted, I take great pleasure in recording my testimony to its curative power; and would also remark, that while on a visit at home a short time since, I administered apart of a bottle to a number of my afflicted friends, with great success. They are desirous that you should establish an agency at Pittsburg, or inform them where the medicine can be obtained. With an earnest desiro for your prosperity and happiness, I subscribe myself truly your friend,
