The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking aind, that the larger the business done, the smallmind, that the larger the business done, the smaller the profit required. It is so in every branch of trade. The manufacturer sells to the wholesale package dealer; the wholesale package dealer sells to the jobber to the retail country dealer; so that the farmer or the consumer of the article pays at least four profits! Messrs. Wyatt & Ketcham:—

I have been afflicted for many years with the Piles, and have tried yafor many years with the Piles, and have been afficied for many years with the Piles, and have tried various remedies, but with no beneficial effects. I seek his edition of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but, as I believe, perfectly cured. Mexsrs. Wyatt & Ketcham:

Gentlemen—1 am constrained to give you a statement of the benefit I derived from using Dr. Upham's Electuary, in a case of Piles, by so doing, I shall render a benefit to those who are suffering from that troublesome disease. I was reduced for several years by the Piles so much that it was with great difficulty for me to walk or attend to my business. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say two boxes of the Electuary entirely removed; and that my health is better now than it has been for many years. It has done me and my family since more good, and with less expense, than all the physicians to whom I have applied, or medicine that I have used.

Messrs. Wyatt & Ketcham:

Gentlemen—I consider it: a duty which I not only owe to you, but to my fellow beings, to speak in praise of Dr. Upham's Electuary, a medicine which I think has saved my life, and restored me to full health. For several years I was afflicted with Piles, together with Dyspepsia, and a general disarrangement of the system. I employed different physicians, with no good result, and they an iast told me they could do no more for me, and said that I must die. I thus had given up all hopes of ever having my health restored, until I had called to mind the benefits that a nephew of mine in Philadelphia, (Benjamin Percival,) had derived in a severe case of chronic dysentery, by your medicine, that I purchased a box, which, to my surprise, after taking a few doses, I received great relief, and thank God, by continuing its use, that I am now restored to perfect health.

Now, however, the evil is most effectually removed; for Clickner's Vegetable Purgative Pilks, being completely enveloped with A coarting or purse white such as the original property of the kernjel) have no taste of medicine, but are as easily swallowed as bits of candy. Moreover they do not natuseate or gripe in the slightest degree, which is occasioned by the fact that they are compounded or scientific principles and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region, (which is the great and admitted evil of every other known purgative.) Hence they Strike at the Ront of Dysease, remove all impure humors from the languagement.

You're respectfully,

Could not Walk.

That Dr. Townsend's Barsaparilla is the very best remedy for female complaints there is no dispating thousands and thousands of weak and debilitated females that were prostrated by those diseases to which females are subject were soon in the enjoyment of robust health. N. Y. Sop. 23, 1847.

Dr. Townsend—Dear Sir: My wile hes for the last year been very sick, and in a greatly reduced state of health, heing reduced by a variety of complaints such as females are liable to; she got so had at length that she was entirely unable to walk, and was as helpless as a child; she commenced using your Sarsaparilla, and she immediately began to regain her strength, her complaints left her, and after taking several bottles she is restored. Being a singular case I have thought it might do good to publish it. She used a number of remedies that done her no good previously. Yours respectfully, John MULLEN, 87 Norfolk street.

To the Ladies—Great Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient consumption, and for the general prostitution of the system—no matter whether the recult of inherent cause or causes, produced by irregularity, illness or accident.

It will not be expected of us in cases of so deli-

ther the result of inherent cause or causes, produced by irregularity, illness or accident.

It will not be expected of us in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain with other difficulties, and having known cases where your medicine has effected. ig known cases where your medicine has effected ing known cases where your medicine has effected great cures: and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla and followed the directions you gave me. In a short period it removed her complaints, and restored her to health.—Being grateful for the benefits she received, I take pleasure in thus acknowledging it and recommending it to the public.

To Mothers and Married Ladles.

This Extract of Sarsaparilla has been expressly
prepared in reference to female complaints. No female who has reason to believe she is approaching
that critical period, "the turn of life," should neglect to take it, as this is a certain preventive for
any of the numerous and horrible diseases to which

This period may be delayed for several years by taking this medicine. It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—but-so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

Disease of the Heart, Rupture and Dropsy.

New York, July 22, 1846.
Dr. Townsend—Dear Sir: My wife has been aficted with a disease of the heart, and with a terrible rupture for over fifteen years, the greater part of the time. She has been troubled with shortness of breath, and great fluttering of the heart, which has been very distressing, and has frequently been unable to leave her bed. The rupture was very large and severe. She tried almost every remedy for such cases with but little benefit. When she had taken but three bottles of your excellent mediants. had taken but three bottles of your excellent medi-cine she was entirely relieved of the fickleness of the heart, and the rupture has almost entirely dis-appeared. She has also had the dropsy, and was very much swollen. We had no idea that she could be benefitted as she had such a complication of discases. But it has, as strange as it may appear, re-lieved her of the dropsy. I am aware that this statement is so strange as to appear almost like fic-tion, but it is, nevertheless, sober reality. Your, Sarsaparilla is certainly a valuable medicine, and should be used by every one that is suffering as we have been. If any disbelieve this account, they are at liberty, to call at my house and have occular deat liberty to call at my house and have occular de

Dr. Townsend—Sir: I have been afflicted for several years with dyspepsia in its worst form, attended with sourness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the composition. my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence: but after using nearly two bottles, I found my appetite restored and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours &c., W. W. VAN ZANDT.

Dear Sir:—I have been a Dyspeptic sufferer for about ten years, and have resorted to various medicines for relief without success, until I made use of your "Oxygenated Bitters." I have used about two bottles, and find myself restored to perfect health. The forms in which the disease showed ithealth. The forms in which the disease showed itself, in my case, were, great acidity of the stomach,
loss of appetite, extreme flatulence, severe constipation of the bowels, and violent headache. Feeling desirous that a knowledge of your valuable
remedy may reach others similarly afflicted, I take
great pleasure in recording my testimony to its curative power; and would also remark that while
on a visit at home a short time since, I administered a part of a bottle to a number of my afflicted friends, with great success. They are desirous that you should establish an agency at Pittsburg, or inform them where the medicine can be obtained. With an earnest desire for your prosperity and happiness
I subscribe myself truly your friend,
