THIS Extract is put up in quart bottles—it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient, and is particularly adapted for a Spring and Summer Medicine. The great beauty and superiority of this Sarsapa-

Bonchitis, consumption, liver complaint, colds, coughs, catarrh, asthma, spitting of blood, soreness in the chest, hectic flush, night sweats, difficult or profuse expectoration and pain in the ide, &c., have and can be cured. Probably there never was a remedy that has been so successful in desperate cases of consumption as this; it cleanses and strengthens the system, and appears to heal the ulcers on the lungs, and the pa-tients gradually regain their usual health & strength. Curious case of Consumption.

Dear Sir:—I have been a Dyspeptic sufferer for about ten years, and have resorted to various medicines for relief without success, until I made use of your "Covgenered Bitters." I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. about ten years, and have resorted to various medicines for relief without success, until I made use of your "Oxygenated Bitters." I have used about two bottles, and find myself restored to perfect health. The forms in which the disease showed itself, in my case, were, great acidity of the stomach, loss of appetite, extreme flatulence, severe constipation of the bowels, and violent headache. Feeling desirous that a knowledge of your valuable remedy may reach others similarly afflicted, I take great pleasure in recording my testimony to its curative power; and would also remark, that while on a visit at home a short time since, I administered a part of a bottle to a number of my afflicted friends, with great success. They are desirous that you should establish an agency at Pittsburg, or inform them where the medicine can be obtained. With an earnest desire for your prosperity and happiness, I subscribe myself truly your friend,

I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Messrs. Wyatt & Ketcham:
Gentlemen—I am constrained to give you a statement of the benefit I derived from using Dr. Upham's Electuary in a case of Piles, by so doing, I shall render a benefit to those who are suffering from that troublesome disease. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say two boxes of the Electuary entirely removed; and that my health is better now than it has been for many years. I remain, sull in perfect health,
