Dr. Townsend—Dear Sir: I had, two children cured by your Sarsaparilla of summer complaint and dysentery; one was only 15 months old and the other three years. They were much reduced, and we expected they would die; they were given up by two respectable physicians. When the doctor intowned as that we must lose them, we resolved formed us that we must lose them, we resolved informed us that we must lose them, we resolved to try your Saraparilla which we heard so much of but had little confidence, there being so much stuff advertised that is worthless; but we are very thankful that we did, for it undoubtedly saved the lives of both. United States Marshall's Office. New York, Dec. 6th, 1847.

Messrs. Wyatt & Ketcham:

Gentlemen—Understanding that you are the general agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but, as I believe, perfectly cured. I most carnessly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

I shall render a benefit to those who are suffering from that troublesome disease. I was reduced for several years by the Piles so much that it, was with great difficulty for me to walk or attend to my business. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say two boxes of the Electuary entirely removed; and that my health is better now than it has been for many years. It has done me and my family since more good, and with less expense, than all the physicians to whom I have applied, or medicine that I have used.
