Digostivo Organs; and to secure Health, we must le remove those obstructions or restore the Blood to its natural state. This fact is universally known; but people have such an aversion to medicine, that. F unless the case is urgent, they prefer the disease to f unless the case is urgent, they prefer the disease to its cature, until an impaired Constitution or a fit of by sickness rebukes them for the folly of their conduct. Still they had some excuse, for hereigfore, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most ef-fectually removed; for Clickner's Vegetable Purga-tive Pills, being completely enveloped with A coAr-ing or PURE WHITE SUDAR, (which is distinct from the kernel) have no taste of fundicine, but are as easily swallowed as bits of candy. Moreover they do not accasioned by the het that they are compounded on scientific principles and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region, (which is the great and admitted evil of every other (which is the great and admitted evil of every other known purgative.) Hence they Strike at the Root
