Philadelphia China Store. THE subscribers, proprietors of one of the oldest and most extensive China Stores in the United and most extensive Unina Stores in the States, have now on hand a very large supply of Common Ware, Granite Ware, China Ware, and Glass Ware, embracing all the varieties ever imported, which

they will sell in large or small quantities, wholesale or retail, to suit the wants of the, people, at prices o defy competition. The advantages to be derived from having a large stock to select from, ought certainly to be apparen to every one; only two need be mentioned: 1st. The variety to please the taste.

2d. The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking mind, that the larger the business done, the smaller the profit required. It is so in every branch of trade. The manufacturer sells to the wholesale

traue. The manufacturer sens to the wholesale package dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer; so that the farmer or the consumer of the article pays at least four profits!

Why pay so many profits when you can come directly to head quarters?

Disease of the Heart, Rupture and Dropsy.

New York, July 22, 1846.

Dr. Townsend—Dear Sir: My wife has been afflicted with a disease of the heart, and with a terri-ble rupture for over fifteen years, the greater part of the time. She has been troubled with shortness of the time. She has been troubled with shortness of breath, and great fluttering of the heart, which has been very distressing, and has frequently been unable to leave her bed. The rupture was very large and severe. She tried almost every remedy for such cases with but little benefit. When she had taken but three bottles of your excellent medicine she was entirely relieved of the fickleness of the beat, and the rupture has almost entirely discontinuated in the property of the heart, and the rupture has almost entirely disappeared. She has also had the dropsy, and was very much swollen. We had no idea that she could be benefitted as she had such a complication of diseases. But it has, as strange as it may appear, relieved her of the dropsy. I am aware that this stranger is so extrangers to a power always like fig. that baffled the skill of the doctors. Tousey's Ointstatement is so strange as to appear almost like fiction, but it is, nevertheless, sober reality. Your Sarsaparilla is certainly a valuable medicine, and should be used by every one that is suffering as we have been. Clickener's Vegetable Purgative Pills,

A RE the first and only medicine ever discovered that will positively cure Headache, Giddiness, Piles, Dyspepsia, Scurvy, Smallpox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart Pills in the Throat Possey Asthra Fee in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heart-Burn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Nervous Complaints, and a variety of other Diseases arising from impurities of Indiagetica.

It has been proved that nearly every disease to which the human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the Blood to its natural state. This fact is universally known; but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse, for heretofore, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for Clickner's Vegetable Purgative Pills, being completely enveloped with a Coarting of Pure White Sugar, (which is distinct from the kernel) have no taste of medicine, but are as easily swallowed as bits of candy. Moreover they do not nauseate or gripe in the slightest degree, which is occasioned by the fact that they are compounded on scientific principles and operate equally on all the scientific principles and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region, (which is the great and admitted evil of every other known purgative.) Hence they Strike at the Root known purgative.) Hence they Strike at the Root of Disease, remove all impure humors from the body, open the pores externally and internally, promote the Insensible Perspiration, obviate Flatulency, Headache, &c.—separate all foreign and obnoxious particles from the chyle, so that the blood, of which it is the origin, must be thoroughly pure—secure a free and healthy action to the Heart, Lungs, and Liver, and thereby restore Health even when all and Liver, and thereby restore Health even when alt other means have failed. The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid forthem in all cases where they do not given vivous electrication.
