Bank Department, Albany May 10, 1845. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence: but after using nearly two bottles, I found my appetite restored and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been affired as the use of it to those who have been afflicted as I have been. Upham's Electuary, in a case of Piles, by so doing,
I shall render a benefit to those who are suffering from that troublesome disease. I was reduced for several years by the Piles so much that it was with great difficulty for my to walk or attend to my business. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say two boxes of the Electuary entirely removed; and that my health is better now than it has been for many traces. than it has been for many years. It has done me and my family since more good, and with less expense, than all the physicians to whom I have applied, or medicine that I have used.

Messrs. Wyatt & Ketcham:

For several years I was afflicted with Piles, together with Dyspepsia, and a general disarrangement of the system. I employed different physicians, with no good result, and they at last told me they gould do no more for me, and said that I must die. I thus had given up all hopes of ever having my health restored, until I had called to mind the benefits that a nephew of mine in Philadelphia, (Benjamin Percival,) had derived in a severe case of chronic dysentery, by your medicine, that I purchased a box, which, to my surprise, after taking a few doses, I received great relief, and thank God, by continuing its use, that I am now restored to perfect health. am now restored to perfect health.
