A LTHOUGH the great fatality of Pulmonary Diseases at this time shows that there are particular cases that render still too applicable the designation, approbla medicorum—the disgrace of physicians—to this call of diseases; and that there are stages in their progress, which having once been reached, recovery is doubtful. Still no one should despair. The writings of physicians, who have given to these affections particular attention, abound with many recorded cases of recovery when the patient had reached a seeming hopeless stage of the disease; and there is at this time, a remedy prepared in Philadelphia which has met with the most principal the country.

Gentlemen—Understanding that you are the general agents for the sale of Dr. Uplam's Vegetable Electuary, for the cure of Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted or many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but, as I believe, perfectly cured. I most earnessly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.
