For several years I was afflicted with Piles, together with Dyseppsia, and a general disarrangement of the system. Dr. Townsend—Dear Sir:—For the last three years I have been afflicted with general debility and nervous consumption of the last stage, and did not expect ever to gain my health at all. After going through a course of medicine under the care of the most distinguished regular physicians and members of the Board of Health of New York and elsewhere and specifications the most of my arening in attention. of the Board of Health of New York and elsewhere and spending the most of my earnings in attempting to regain my health, and after reading in some paper of your Sarsaparilla, I resolved to try it. After using six bottles I found it done me great good, and called to see you at your office; with your advice I kept on, and I do most heartily thank you for your advice. I persevered in taking the Sarsaparilla, and have been able to attend to my usual labors for the last four months, and I hope by the blessings of God and your Sarsaparilla to continue my health. It helped me beyond the expectations of all that knew my case.
