Indigestion.

It has been proved that nearly every disease to which the human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the Blood to its natural state. This fact is universally known; but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse, for heretofore, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually femoved; for Clickner's Vegetable Purgative Pills, being completely enveloped with a coartive Pills, being completely enveloped with a coartive Pills, being completely enveloped with a coartive process. tive Pills, being completely enveloped with A coar-ing or Pune white sugan, (which is distinct from the kernel) have no taste of medicine, but are as easily swallowed as bits of candy. Dr. Townsend—I take pleasure in saying for the benefit of those whom it may concern, that my daughter, two years and six months old, was afflicted with general debility and loss of speech. She was given up as past recovery by our family physician; but fortunately I was recommended to try your Sarsaparilla. Before having used one bottle she recovered her speech and was enabled to walk alone, to the astonishment of all who were acquainted with the circumstance. She is now quite

quainted with the circumstance. She is qualitied with the circumstance. She is now quite well and in much better health than she has been for 18 months past JOSEPH TAYLOR, 127 York st., Brooklyn. Two Children Sared.

Very few families indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsapaparilla in time lost any children the past summer, while those that did not sickened and died.
