United States Marshall's Office 2 MIAT the Piles is disarmed of its terrors by

New York, November 2, 1847.

Messrs. Wyatt & Ketcham:
Gentlemen—1 am constrained to give you a statement of the benefit I derived from using Dr. Upham's Electuary, in a case of Piles, by so doing, I shall render a benefit to those who are suffering from that troublesome disease. I was reduced for several years by the Piles so much that it was with great difficulty for me to walk or attend to my business. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say two boxes of the Electuary entirely removed; and that my health is better now than it has been for many years. It has done me and my family since more good, and with less exand my family since more good, and with less expense, than all the physicians to whom I have applied, or medicine that I have used.

I remain, still in perfect health,

Dr. Townsend's compound Extract Sarsaparill

THIS Extract is put up in quart bottles—it is six Times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient, and is particularly adapted for a Spring and Summer

Medicine.

The great beauty and superiority of this Sarsapa-illa over all other remedies is, while it eradicates rilla over all other remedies is, while it eradicates disease, it invigorates the body. Consumption cured. It cleanses and strengthens. Consumption can be cured, Bonchitis, consumption, liver complaint, colds, coughs, catarrh, asthma, spitting of blood, soreness in the chest, hectic flush, night sweats, difficult or profuse expectoration, and pain in the ide, &c., have and can be cured.

Probably there never was a remedy that has been to successful in desperate cases of consumption as this; it cleanses and strengthens the system, and appears to heal the ulcers on the lungs, and the patients gradually regain their usual health & strength.

Curious case of Consumption.

Dr. Townsend—Dear Sir:—For the last three years I have been afflicted with general debility and nervous consumption of the last stage, and did not expect ever to gain my health at all. After going expect ever to gain my health at all. After going through a course of medicine under the care of the most distinguished regular physicians and members of the Board of Health of New York and elsewhere of the Board of Health of New York and elsewhere and spending the most of my earnings in attempting to regain my health, and after reading in some paper of your Sarsaparilla, I resolved to try it. After using six bottles I found it done me great good, and called to see you at your office; with your advice I kept on, and I do most heartily thank you for your advice. I persevered in taking the Sarsaparilla, and have been able to attend to my usual labors for the last four months, and I hope by the blessings of God and your Sarsaparilla to continue my health. It helped me beyond the expectations of all that knew my case. CHARLES QUIMEY.

Dr. Townsend: I verily believe that your Sarsaparila has been the means, through Providence, of saving my life. I have for several years had a had cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and educed and did. and was greatly debilitated and reduced, and did and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsapa-rilla but a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient ser-vant, WM. Russell, 69 Catharine street. Lost her Speech. Brooklys. Sont 1, 1847. am thankful for these results. Your obedient servant, Wm. Russell, 69 Catharine street.

Lost her Speech. Brooklyn, Sept. 13, 1847.

Dr. Townsend—I take pleasure in saying for the benefit of those whom it may concern, that my daughter, two years and six months old, was afflicted with general debility and loss of speech. She was given up as past recovery by our family physician; but fortunately I was recommended to try your Sarsaparilla. Before having used one bottle she recovered her speech and was enabled to walk alone, to the astonishment of all who were acquainted with the circumstance. She is now quite well and in much better health than she has been for 18 months past.
