Cholera Brandy.

A Cure and Preventative for the Cholera.

THE above named medicine was discovered in 1832, at the Hospital in the city of Berlin, by Dr. C. W. Hufeland, the Royal President of the Royal Vedical Society, and I now introduce this infallible medicine for the public safety from the scourge that now threatens our city and vicinity, by appointing J. RUGGLES, of RROAD STREET, above Vine, my sole and exclusive Agent, where the genuine medicine may always be found, and at no other place. It is a the only reventative that the genuine medicine may aways be found, and a favored with a place. It is the only preventative that the public can rely upon with safety. It has saved the tives of millions of people in the city of Berlin and its vicinity. I have not only used this preparation in my practice in Europe, but in America, also and always found the same beneficial effects result-

ig.
It can be had of J. Ruggles, Broad St., above vine, corner of Pearl, wholesale and retail.
CAUTION.—Avoid all sweet nostrums that are offered for the Cholera.

PALIER'S WURLT DRIEL.

TO THE FARMERS OF PENNSYLVANIA. THE Subscribers have made an arrangement with Mr. Wheeler, to manufacture for the ensuing season, a large number of "PALMER'S WHEAT DRILL." They have already received several orders or them, and relying upon heavy sales, have determined to sell at small profits, so as to put them within the reach of every farmer. They believe this to be vastly superior to every other Drill in use, and intend to sell them much less than any other can able of doing as much.

Now is the time to purchase! Every Drill is warranted. We challenge the world to produce a Drill equal in operation, durability, workmanship and price to this. This is the third Drill invented by Mr. Palmer, and he has now brought it to that state of porfection, beyond which it cannot be carried.

IT IS THE "NE PLUS ULTRA" OF GRAIN DRILLS,

and of course combines all the excellencies of overy other, while it is free from all their imperfections.

All orders should be sent in or delivered to our agents as early as July, to secure a Drill this year.
