Scitz's Safety Bridle Bit. Polndonary Medicine in the World, for Cought Colds, Consumption, Measels, Scarlet Feeer, Asth-ma, Whooping Cough, Bronchilis, Throat Dis-ease, and all Complaints of the Breast and Lungs. Only FIFTY CENTS a Bottle! While far inferior articles are selling for One Dollar a Bottle !

THIS is a safety Bridle Bit invented and secured by Mr. Henry Seitz, of Marietta, Pa. This Bit is expected to supersede eventually all others, Bit is spected to supersede eventually all others, either for riding or driving, combining, as it does, the common snaffle, so arranged with the pulley, as to give any person perfect power over the most vicious or frightened horse. It obviates the objec-tions made to the severe bits now in use, which from their painful action, often make a spirited horse rear, kick and try to run away. This bit is pleasant in its action on the mouth, causing no pain whatever, and has the r quisite power when wanted —no horse having been found able to resist it. The operation is as follows: The rein is hooked firmly to the saddle at A, passing through the loop C, into the bit over the roller at B, and securing it fast to the ring D, which prevents it from drawing back and forms the check rein now in use, and to which the driving reins are buckled and pass back to the driver. For horseback, the loops and rings are dispensed with, the rein being continuous, form-ing two reins, one of which is thrown over the saddle horn or strapped to the pummel, and the abor under similar diseases. I have also given it to my little son with great advantage. REUBEN S. ROHRER. Mr. Harman, a respectable Teacher of Lancas-Mr. Harman, a respectable Teacher of Lancas-ter, speaks thus:--LANCASTER CITY, Pa., Oct. 2, 1848. Dr. Wm. Steelling :-- I take pleasure in inform-ing you that I have been greatly benefitted by the use of your Pulmonary Syrup. I had contracted a very severe cold, and with it a violent cough, so that I would sometimes spit blood; in this condition you found me when you gave me a bottle of your Syrup, I had not taken half a bottle before I found myself much relieved, and in fact felt like a new man. I would recommend your Pulmonary Syrup to all who may be afflicted with colds or any other

saddle horn or strapped to the pummel, and the other to the rider's hand—both reins can pass thro' the rings of a martingale. For ladies it is particu-larly recommended on account of its 'safety and power, as a horse is by no means able to throw his head sufficiently low to kick. For double harness Testimony of a well known Merchant of Williams-town, Lancaster county, Pa.:-Dr. Wm.
