TO THE FARMERS OF PENNSYLVANIA. HE Subscribers have made an arrangement with Mr. Wheeler, to manufacture for the ensuing season, a large number of "PALMER'S WHEAT DRILL." They have already received several orders

for them, and relying upon heavy sales, have determined to sell at small profits, so as to put them within the reach of every farmer. They believe this to be vastly superior to every other Drill in use, and intend to sell them much less than any other capable of doing as much.

Now is the time to purchase! Every Drill is warranted. We challenge the world to produce a Now is the time to purchase! Every Drill is warranted. We challenge the world to produce a Drill equal in operation, durability, workmanship and price to this. This is the third Drill invented by Mr. Palmer, and he has now brought it to that state of perfection, beyond which it cannot be carried.

IT IS THE "NE PLUS ULTRA" OF GRAIN DRILLS, and of course combines all the excellencies of every other, while it is free from all their imperfections.

All orders should be sent in or delivered to our agents as early as July, to secure a Drill this year.

Principal Office, 162 Nassau st., N. Y. OLD DR. JACOB TOWNSEND. THE ORIGINAL DISCOVERER OF THE Genuine Townsend Sarsaparilla.

LD DR. TOWNSEND is now about 70 years of

LD DR. TOWNSEND is now about 70 years of age, and has long been known as the author and discoverer of the Genuine Original Townsend Sarsaparilla. Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, never theless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful HEALING POWER. Knowing, many years ago, that he had, by his Knowing, many years ago, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, when its inestimable virtues kind when the means would be furnished to bring it into universal notice, when its inestimable virtues would be known and appreciated. This time has come, the means are supplied; this Grand and Unequalted Preparation is manufactured on the largest scale, and is called for throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the old Dr's Sarsaparilla. The Sarsaparilla Root, is well known to medical men contains many medical properties and some properties which are inert or useless, and others which if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific progress, known only to those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the root, which give to it all its value.

Any person can boil or stew the root till they get

Any person can boil or stew the root till they get any person can non or seew the root had new yet a dark colored liquid, which is more from the coloring matter in the root than from anything else; they can then strain this insipid or vapid liquid, sweeten with sour molasses, and then call it "Sarsaparilla Extract or Syrup." But such is not the article known as the

saparilla Extract or Syrup." But such is not the article known as the GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLAS

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted 5 rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

We find it doing wonders in the cure of consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula, Piles, Costiveness, all Cutaneous Eruptions, Pimples, Blotches, and all affections arising from
IMPURITY OF THE BLOOD.

IMPURITY OF THE BLUOD.

It possesses a marvelous efficacy in all complaints arising from Indigestion, from Acidity of the Stomach, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in Colds and Coughs; and promotes easy expectoration and gentle perspiration, relaxing strictures of the lungs, throat, and course of the root. But in nothing is its excellence. ration, fenance structure of the transfer structure were other part. But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of FEMALE COMPLAINTS.

FEMALE COMPLAINTS.

It works wonders in cases of Flour Albus or Whites, Falling of the Womb, Obstructed, Suppressed, or Painful Menses, Irregularity of the menstrual periods, and the like, and it is effectual in curing all the forms of Kidney Disease.

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of Nervous Diseases and Debitity, and thus prevents or relieves a great variety of other maladies, as Spinal Irritation, Neuralgia, St. Vitus, Dance, Swooning, Eption, Neuralgia, St. Vitus' Dance, Swooning, Epileptic Fits, Convulsions, &c.
