ROUSSEL'S VINAIGRE AROMATIQUE, COSMETIQUE, ET ANTI-METHITIQUE DE BULLY.

Water. The subscriber feels assured that it needs only to be made known in this country to ensure its equally general adoption. It has obtained the approval of several eminent physicians of this city, to whose notice it has been submitted. It prevents and removes pimples, tetter, and asperity of the skin; it refreshes and whitens the skin, rendering it soft and smooth. It corrects the clammy and bitter tasts of the mouth, imparting a forther induction.

fresh and pleasant breach. It cleanses and whitens the teeth, and hardens the gums. Friction with this Vinegar promotes perspiration and assuage rheomatic pains. It allays headache by application to the temples. It is effectual in removing inflam-mation of the eyelids, and in strengthening the eyes. Applied to a burn it prevents soreness. It possesses many other valuable qualities, which are usersured at large in the printed wrappers accom-panying each bottle. The subscriber having, during a recent visit to Paris, obtained the original recipe for this invalua-ble preparation, now offers it to the American public, with a perfect confidence that it will be found in every respect equal to the article preparation resh and pleasant breath. Make In-urance on Lives at their Office, in Philadelpha, and at their Agencies throughout the States, at the lowest rates of premium. Persons should insure their lives, and do so without delay, whilet they are healthy and fit subjects to be insured. In this Office there are advantages greater than have ever yet been derived from the system of Life Assurance; which reason and experience convinec the Trustees may with safety be offered to the public. It will be found, on inquiry, that most offices have in the outset professed to act on some new principle; or to offer to assurers some one particular benefit not to be obtained from other societies. But policies are effected under various ircumstances, and with widely different objects, and what may facilitate the views of one man, af-fords no accommodation to another. It appears, therefore, to the Trustees of the Equitable, that the greatest good will be effected by that office, which allows such reasonable advantages to cerry ussurer, as at the time of completing his Policy, he considers to be suitable to his particular case. On suffice to show the benefits derivable from its his principle they act, and a few instances will uffice to show the benefits derivable from its

suffice to show the benefits derivable from its adoption—the greatest good of the greatest number No policy will be disputed, unless under an act of fraud by the assured, and after the same shall have been declared by referees of undoubted char-acter. In case of error, either as to age, or in the form of poley, or the answers of referees, such errors, unless wilful and fraudulent, will not be deemed to vitiate the policy. The travelling leave is extensive and liberal. Persons insured for life have liberty to pass to and from the States of Virginia and Kentucky, and west of the river Mississippi, between the first day of November and the first day of July following. And to pass from any place or port within the British North American Colonies, or United States north of thirty-four degrees north latitude, without pay-ing an extra premium. They are allowed to cross of thirty-iour degrees north latitude, without pay-ing an extra premium. They are allowed to cross the Atlantic in first class steamers during May, June, July, August and September, free of charge; during remaining months of the year, 25 cents on each \$100 insured. The age of the assured will be admitted on the policy. If the insured die in a duel, by his own hands, or under sentence of the law, such death will not invalidate the policy. Aroant of far asi

urchased the right for manufacturing and selling he Hathaway and Buck's Patent Cook Stove for The castings at this foundry are made of the best No. 1 Codorus and Conowingo Iron, long celebra-

No. 1 Codorus and Conowingo Iron, long celebra-ted for strength. 37 Stoves will be sold and orders for castings received either at the Foundry or at the store of the subscriber in East King Street, a few doors from the Court House in the city of Lancaster. June, 13, '48-20-tf.] C. KIEFFER.

policy. If the insured die in a duel, by his own hands, or under sentence of the law, such death will not invalidate the policy, axcept so far as it was the property of the deceased. Thirty days allowed after each annual payment becomes due, and fifteen days after each quarterly and half yearly premium becomes due, without for-feiture of policy. Premiums or lapsed policies may be renewed at any time within six months on the production of satisfactory evidence as to the health of the insured. When a party effects a policy upon the life of hnother, the Company will be satisfied if the party and, at the time, a bona fide interest in the life of the assured. The policy may be assigned to whom-soever the assured pleases, without the knowledge or assent of the Company (there being no clause in the Equitable policies usual in the policies of Mu-TUAL Companies, claiming a right to be notified of an assignment or transfer of a policy in the Equitable policies usual in the policies of Mu-TUAL Companies, claiming a right to be notified of an assignment or transfer of a policy in the Equitable is a legal act, and the party who claims can give a legal discharge, ther amount is paud by the Company. The extraordinary advantage afforded by means of the Half Credit system, in not requiring, under any circumstances, an outlay of a larger sum of money than is absolutely necessary to secure the amount insured, is peculiarly applicable to the camptor. If the debt is paid off during these live years, he can discontinue the assurance alto-gether, having secured the amount, in the event of the debtor's death previously, at a *less expense* than would in any mutual office be charged for assuring the life for seven years. If the debt is nor PATD he would be enabled to continue the assurance for the remainder of the debtors's life, whatever might then be his state of health. Attention is particulary reemainder of the debtor's life, whatever might the his state of health. Attention is particulary requested to the

nged with the pulley. as to give any person perfect power over the most vicious or frightened horse. It obviates the objec-tions made to the severe bits now in use, which showing you the wheels. Respectful THOS. CARLILE. MACHINE SHOP.

It obviates the objections of the instance of the instance of the severe bits now in use, which from their painful action, often make a spirited horse rear, kick and try to run away. This bit is pleasant in its action on the mouth, causing no pain whatever, and has the r.quisite power when wanted of the orse having been found able to resist it.
The operation is as follows: The rein is hooked fringly to the saddle at A, passing through the loop g, c, into the bit over the roller at B, and securing it fast to the ring D, which prevents it from drawing back and forms the check rein now in use, and to which the driving reins are buckled and pass back to the driver. For horseback, the loops and rings are dispensed with, the rein being continuous, formating two reins, one of which is thrown over the saddle horn or strapped to the pummel, and the other is particularly recommended on account of its safety and power, as a horse is by no means able to throw his head sufficiently low to kick. For double harness MACHINE SHOF. We are also prepared for the manufacture of Steam Engines and Boilers, Shafting, Cotton Ma; chinery, Planing Machines, double and single goar-ed Boring Mille, Bolt Cutting and Finishing Ma-chines, together with other variations of Machinery chines, together with other varieties of Machinery, and all kinds of Turning, Finishing and Smithing, all of which will be completed in the best style workmanship. We also offer for sale One second hand Engine and Boiler, 8 horse power.
