Pure Fresh Cod Liver Oil.

This new and valuable Medicine, now used by the Mercas, The Hon. James Buchanan has given to the city of Lancaster, Four Thousand Dollars in Certificates of "Lancaster City Six Per Cent Loan," of One Hundred Dollars each, numbered from 220 to 259 consecutively, as a Donation in Trust that the interest annually accruing thereon be appropriated to the purchase of fuel for the benefit and relief of poor and indigent females of the city of Lancaster; therefore, for the purpose of protecting said Trust, and of ensuring a faithful fulfilment of the benevolent designs of the Donor:

SEC. 1st. BE in ordained and enacted by the citizens of Lancaster, in Select and Common Councils assembled, That said Certificates of Loan be and the same are hereby accepted, set apart, and held in trust for the purposes aforesaid, and that they be endorsed by the Mayor with the words—

Constitute the properses of the disease and a mitigation of the progress of the disease and a mitigation of the progre on of the progress of the disease and a mitigation of distressing symptoms, up to a more or less com-plete restoration to apparent health.

"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better

volume, and the appetite, flesh and strength were gradually improved.

"In conclusion, I repeat that the pure fresh oil gradually improved.

"In conclusion, I repeat that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, diatetic or regimenal, that has et been employed." As we have made arrangements to procure the Cod Liver Oil, fresh from head quarters, it can now be had chemically pure by the single bottle, or in boxes fresh from head quarters, it can now be cally pure by the single bottle, or in boxes of one dozen each Its wonderful efficacy has induced numerous

spurious imitations. As its success depends entirely upon its purity, too much care cannot be having on it our written signature, may be depended upon as gennine.

Pamphlets containing an analysis of the Oil, with notices of it from Medical Journals, will be sent to those who address us free of postage.
