Notice to the Londens nitely worse to use this Souring, Fermenting, Acid Compound of S. P. Townsend, and yet he would fain have it understood that Old Dr. Jacob Townsend's Genuine Original Sarsapa rilla, is an imitation of his inferior preparation. Heaven forbid that we should deal in an article which would bear the least resemblance to S. P. Townsend's article; and which should bring down upon the old Dr. such a mountain load of complain and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's Fer-menting Compound.

knows nothing comparatively of medicine or dis-ease! It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the persons who manufacture medicines designed for *Weak Stomachs and Enfeebled Systems* should know well the medical properties of plants.
