Pure Fresh Cod Liver Oil.

THIS new and valuable Medicine, now used by the medical profession with such astonishing efficacy in the cure of Pulmonary Consumption, Scrofula, Chronic Rheumatism, Gout, General Debility, Complaints of the Kidneys, &c., &c., is prepared from the liver of the Cop Fish for medicinal

use, expressly for our sales.

Extract from the London Medical Journal.

"C. J. B. Williams, M. D., F. R. S., Professor o Medicine in University College, London, Consulting Physician to the Hospital for Consumption, &c., says: I have prescribed the Oil in above four hundred cases of tuberculous disease at the Lungs, in of cases, 206 out of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases, from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was miligated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better of the Cod Liver Oil in most of better of M. volume, and the appetite, flesh and strength were gradually improved.
"In conclusion, I repeat that the pure fresh oil

from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, diatetic or regimenal, that has et been employed." As we have made arrangements to procure the Cod Liver Oil, fresh from head quarters, it can now be had chemically pure by the single bottle, or in boxes of one dozen each.

Its wonderful efficacy has induced numerous spurious imitations. As its success depends en

tirely upon its purity, too much care cannot be used in procuring it genuine.

Every bottle having on it our written signature, may be depended upon as gennine.

Pamphlets containing an analysis of the Oil, with notices of it from Medical Journals, will be sent to those who address us free of postage.
