Curcs very many of the most strongly marked and develope Curse very many of the most strongly marked and developed cases of Pulmonary Consumption—REAL undubuled cases of ulcertaid and diseased LUNGS—such hopeless cases as were never before cured by any other medicine. So unterly hopeless were some of the afflicted persons, as to have been prounned by physicians and friends to be aCTUALLY DYING Some, who had their burial-clothes made, have been cured, and yet live—others, who it was said would not live another day, are now as well and hearty as they ever were. It possesses all the cleaning and purifying virtues nearly as powerful and active as the preparation which we call: BRANT'S INDIAN PURIFYING EXTRACT This differs from that, because this possesses several other Medications which are peculiarly adapted to, and are essentia

This Balsam cures nine cases of Cough and Consumption out of ten, after all other remedies have failed to do good.

Thousands of Consumptions and Chronic Coughs, abundantly prove its unfailing efficacy in such diseases, and its undobbted curative power, and southing, healing properties, in the following complaints and diseases, viz.: Spitting of Blood, Bleeding at the Lungs, Pain in the Breast and Side, Night Steeds, Nervous Complaints, Paipitation of the Heart. Cholera Infantum, Dysentery and Summer Complaints in Children and Adults, Asthma, and ALL FEMALE WEAKNESSES AND COMPLAINTS.

No remedy that has been offered to the public has ever been half as certain end effectual in correcting ALL the inci-dental weaknesses and irregularities of the female sex, as BRANT'S PULMONARY BALSAM. It makes no diff ence whether the derangement be suppression, excess, other incidental weakness—it regulates ALL, by strength ing the circulation, and soothing s ther the defined weakness—It regulates ALL, by strengthen-ing the system, equalizing the circulation, and soothing and allowing NERVOUS IRRITABILITY. We state this cure to prove the power to sare life, when this BALSAM is used, even after the person is considered by physician and friends to be in the last stages of disease—actually dying—and, in this case, so far gone that the shroud and burial-abothes were bought. For the particulars of this case, and the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLETS. This cure was effected on Mrs. ZIBA DYKEMAN, of Ballston Spa, Sarataga Co., N. Y. We can prove, beyond a doubt, many others almost equally as hopeless, and innumerable cases of Conglès and Consumptions CURED, which were pronounced incurable by skilled physicians.

No mother need ever mourn the death of her child by Cholern Infantum, while teething, if BRANT'S PUL-MONARY BALSAM be administered. It should be, for such cases, given in larger than the ordinary doses.

PURIFY! PURIFY! LIFE and HEALTH are in the BLOOD.

Cleanse, Purify, and Regulate the Circulation, and the whole body will have health. The most wonderful of all remedies to produce such a result, is BRANT'S INDIAN

PURIFYING EXTRACT. Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this Punifies than can be effected by the use of a like quantity of any other remedy in the world. (See our Pamphites for proof.)

This Punifies is wholly prepared from Vegetables, and curves the worst, most obstituate, and long-standing diseases of the blood, without puking, purging, sickening, or debittating. It cleanes, strengthens, invegorates, makes new, healthy blood, and gives new vizor and new life to the whole system. system.
BRANT'S PURIFIER IN FOUR TIMES CHEAVER ONE DOLLAR'S WORTH

of it will effect a greater amount of cure than four dallars' worth of so saparilla, or any other remedy, no matter how large their bottles may be. The important question for consumers to determine, it, how much more curative effect will a dallar's worth of this Purifier produce, than a dollar's worth of that sarsparilla or wither remedy. We might here say, that Brant's Medicines had cured, within the last year, 100.000 Persons of Impure Blood Diseases, and 25,000 Cases were considered Incurable as some other patent-medicine men are in the habit of say ing. If we should say so, who would believe us! This however, we do say, and stond ready to prove by respectable witnesses, that BRANT'S MEDICINES have effected cures of more diseases on living human beings, the past year, than

This cure is a triumph over the shill of the best physiciens in the city of Philadelphia, and is positive Proof that internal ulcers can be cured as easily as external, when Brant's Pruffying Extract is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayuga Co., N. Y., informed us in Oct. 1847, that he had been af flicted with three Fissurss or Ulcers, as situated internally as to allow of an examination, and thus furnish positive proof of the fact, and of their location. He said that he had spent one year in Philadelphia, under the professional advice of the best physicians, and was obliged to return to Auburn, without cure or lelp, when Dr. T. M. Hunt, druggist, of Auburn, advised him to try Brant's Purfying Eriract, and the use of seven bottles of it effected a perfect cure. INTERNAL ULCERS.

ATTICA. Genesee Co., N. Y., Feb. 1, 1818.

M. T. WALLACE & CO.—Gentlemen; I received a case of Brant's Medicines from you, and have been most wonderfully disappointed in the rapid sales made, and much more so in the general and particular satisfaction the medicines and given to all those who have been fortunate enough to try them. I was myself, for more than a year, safflicted with a disease of the Stomach. I could not eat any fat or greasy substance without causing great pain, sickness, and vomiting, and was continually afflicted with a Sour Stomach. When Brant's Medicines came, I, as an experiment, tried one bottle, which to my utter disappointment, cased and relieved the usual pain after eating. It therefore used the sessond bottle, which has completely cured the disease. I am now well and hearty, and can cat almost anything without being pained, or the stomach becoming suphany without peing pained, or the stomach becoming such sense of the method of the stomach becoming such sense of the method of the stomach becoming such sense of the method of the stomach becoming such sense from its use.
